

After an evening with the top liners of the amusement world, enjoyed from your easy chair in the quiet of your home you realize that nothing in the way of amusement that ever came over the footlights equals that afforded by an

EDISON PHONOGRAPH

Edison Phonographs range in price from the Amberola at \$240, down to the

Gem at \$16.50. The Amberola has the sweetness, clearness and faithful reproducing powers that characterize all Edison instruments and, in addition, a case that is a masterpiece of the cabinet-maker's art. It comes in either mahogany or oak. Whoever buys a Gem, Fireside, Home, Standard or Triumph gets everything that the genius of Mr. Edison has been able to devise. All have sapphire reproducing points that do not scratch or require changing; all have silent, long-running spring motors. Each is a perfect instrument, playing both Edison Standard and Amberol Records. Any Edison dealer has the line. Go and hear them or write us for complete catalogue.

At the vaudeville show you tolerate a number of indifferent turns to hear one top-liner—like Lauder for instance. In your home with an Edison Phonograph, you can have an all-star performance because the real stars only, and all the real stars make

EDISON STANDARD & AMBEROL RECORDS

Edison Records are of two kinds—Standard and Amberol. Amberol Records

play twice as long as Standard Records. They give you another verse or two of the songs you like, a waltz or a two-step that is long enough, a monologue that gets somewhere and Grand Opera that is not cut or hurried. Edison Records afford a clearness and sweetness of tone not possible in Records made in any other way. They always do justice to the singer, band or orchestra that is why the great singers and musicians prefer to make Records for the Edison Phonograph. Edison Records can be bought of any Edison dealer—Standard Records at 40 cents each; Amberol Records 65 cents each; Grand Opera Records 85 cents to \$2.50.
