**Lapinette** by donken

*Lapinette placidly points to her porcelain pig.*

did we ever tell you the story of how Lapinette came to deal with the campusbank in the first place?

Well, once upon a time, lappy used to keep her cash in a pig. now this pig was a porcelain pig. you know the type: kind of acceptable in an aesthetic way, but not overly active oinkwise.

  
*Lapinette, now miles from padsuille, learns a sad lesson in the reliability of both mechanical and economic devices.*

one day, whilst lappy was dragracing a chap with her Honda, she broke a sprocket.

now, sprockets aren't hard to find, but lap had left her pig in her pad.

  
*Lapinette now knows the security of money in the bank and her own, personal cheques.*

ever try to cash a cheque drawn on a piggybank?

walking to class, she passed the campusbank, which was near the campus, naturally.

why not? she mused bemusedly.

*what service! how kind! she was delighted. and her very own personal chequeing account chequebook!*

but even our bank can't think of everything.

she broke another sprocket dragracing yesterday.

but her chequebook was safe and sound in the pig.
