Wow! It's hard to believe I'm really here in University, about to embark upon a voyage of learning and discovery. In a few years, I will be an eager young computer scientist ready to join the search for higher knowledge and greater technology! How thrilling!

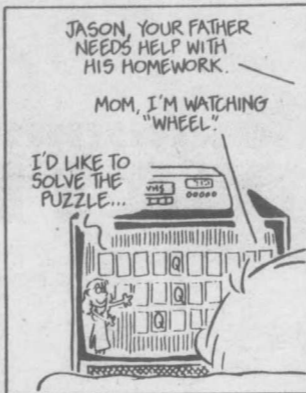

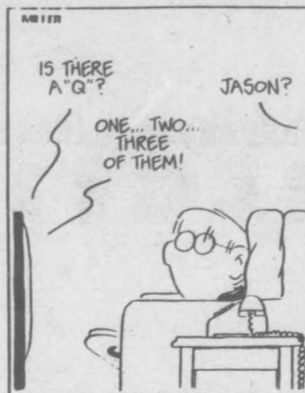

Good morning, students. Welcome to "Advanced Concepts in Fingerpainting" 3028. If any of you made the stupid mistake of thinking this room (337), was room 337B, the Computer Science lab next door, then please get up and leave. We won't laugh and sneer at you really.

Er, actually, I have always been rather fond of... fingerpainting.
