

DISTRACTIONS

EPITAPHS
for a brief
literary life

I

Here
on campus
without stint
I was born
Bruns
by your print

II

Fed
indulgently
on ink:
lifeblood
of my world
of think

III

Fridays
child-like
came I
for the glow
mini-circled fame
might throw

IV

No
acknowledgement
for my abstractions:
worlds beyond
don't read
"Distractions"

V

Farewell
my faithful
coterie
and Mother Bruns
for courage
in exposing me

VI

Four years old
and fully grown
to
obscurity
I'm goin'
still
unpublished
undiscovered
and alone

MR. JONES

SIMON, TO BECOME COOL, YOU MUST LEARN TO TAP THE SECRET ENERGY OF THE UNIVERSE!

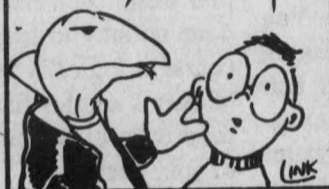

WHAT'S IT CALLED?

"THE COOL", SIMON, USE "THE COOL."

IS IT LIKE "THE FORCE"?

NO, THAT'S FOR WIMPS!

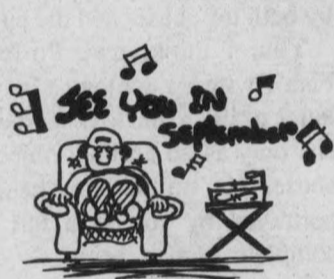

WHEN YOU BECOME ONE WITH "THE COOL," YOUR MIND AND BODY BECOME LIKE A SHARP EDGE ON THE RAMBO SURVIVAL KNIFE OF THE UNIVERSE.

by Brian Linkletter

BUT WILL IT GET ME GIRLS?

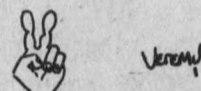

BY THE TRUCKLOAD!

CENSORED

(DON'T WORRY IT'S NOTHING ABOUT GAYS)

ANYWAY: Good Luck on your exams people. HAVE Fun in the sun this Summer and remember... always buy cartoonist's beer.

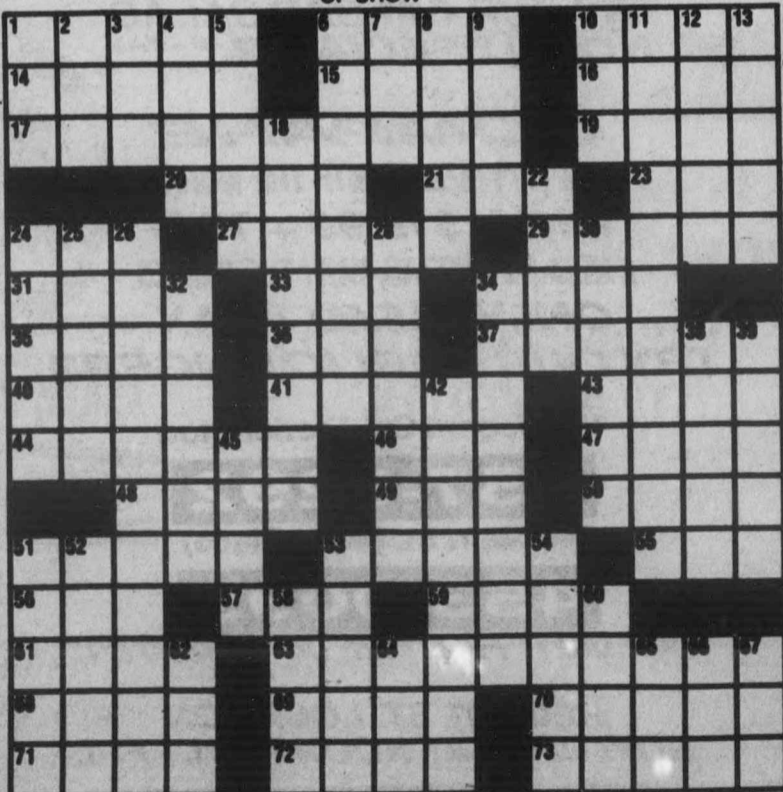

Editor's Note: Another school year ... another editorial board

Look for the new and improved Distractions section in September. Coming next year: Bloom County (now called Outland) and Doonesbury plus all your artistic talent

See ya, *ATL*
