Toronto, Ontario.

Dear Sir:

My Uncle John Gilhuly appreciated your letter of the 13th very much and asked me to write and thank you for same.

Letters are about the only thing Uncle gets any happiness from these days as he had a set back and I regret to advise his health is not improving. He is down to about 100 lbs and eats very little. His stomach does not seem to digest any solid foods.

However, Uncle is happy and on the surface quite contented with everything. He was very glad to learn you will be in Winnipeg in the near future and requested I advise you he would certainly consider it a pleasure to see you if you could possibly find time to call and see him. I sincerely hope you will be able to.

Again thanking you, I remain,

Yours very truly,

T. N. Hargreaves

Personal letter.
