

Ottawa, December 19, 1914.

Sir,-

I am in receipt of your letter of the 8th instant, relative to the condition of the cooking range in the farm house on Thunderchild's Reserve, and in reply beg to say that you may purchase a new range. One made in Canada, of recognized quality should be purchased so that renewal parts, linings, etc. can be obtained when necessary. Either "Souvenir" or "Happy Thought" stoves and ranges cannot be excelled and should last for years with proper care.

Your obedient servant,

Asst. Deputy & Secretary.
