

COMMENDED BY MRS. M. B. CARSE  
The Eminent American Christian Worker

MRS. MATILDA B. CARSE

Founder of the Woman's Temple, Chicago.

"As a mother, I can truly say that my heart goes out to you in endorsement of this book. It is pure and instructive on the delicate subjects that mean so much to our daughters, to their future as home-keepers, wives and mothers, and to the future generations. It can but create a more reverent ideal of life in every girl who reads it, and I wish every daughter in the land could reap of its benefit."
