

The Best Company for the Best Risks.

An Important Fact

Our average death losses for the past twelve years has been 3.34 lives per 1,000 in number, and \$3.77 per \$1,000 in amount, in our Temperance Section, and it has been 4.02 lives per 1,000 in number, and \$4.91 per \$1,000 of the annual average of our total business for the same period. We believe this is a smaller loss ratio from death claims than has ever been recorded by any other company on a similar amount of business for so long a period. This is emphatically true with regard to the experience of our Temperance Section.

To the Active SONS of Temperance

We purpose, under the guiding influence of the Grand Officers of your worthy Order, to give in the immediate future our special attention to the manufacture of the REGALIA, BADGES, EMBLEMS, AND OTHER PARAPHERNALIA in use by the Sons of Temperance.

Being the LARGEST MANUFACTURERS OF REGALIA in Canada we constantly receive individual orders for goods in our line from members of Divisions of the Sons of Temperance, simply filling such orders as directed.

It is now, however, our intention to give the matter our special care so as to improve where possible, originate where necessary, and cheapen, we expect in all cases, the different articles used by the Order. We shall take it as a special favor if members or Divisions will write to us with suggestions of any kind. For example: Apart from the regular triangle pin or button with enamelled motto, etc., are there any new ideas that could be introduced that would be an improvement and yet entirely within the constitutional requirements of the National Division.

Correspondence of any kind will receive our prompt attention.
