THE GRENFELL CO.

London, August 21.—The statement of affairs of the Chaplin Milne, Grenfell Company shows assets of over £1,900,000. It is estimated that the total deficiencies £1,900,000. It is estimated that the total deficiencies FIRE and ACCIDENT Risks Accepted, are nearly £800,000. Of that amount nearly £400,-000 of the insolvency is attributed to depreciated securities which reduced the company's borrowing powers and made it impossible to realize on the securiiles at the ordinary value. That applies more particularly to the securities that were taken from the

SHOWS BIG DEGREASE FOR MONTH BIII Was Amended and Passed by a Viva Voce Vote— York.

Comparison of figures furnished by the clerk of ting the board entrusted with fixing the rate Fire Proof Tests satisfactory.

Four houses, seven feet by seven, were burned in Lachine yesterday afternoon by the Asbestos Manufacturing Co., to test the patent Linabestos fireproof will board which they manufacture. The results were considered highly satisfactory by the company's officials and Deputy Chief St. Pierre, of the Montreal Fire Department, who was an interested witness.

Comparison of figures furnished by the clerk of the Fire Commissioners court yesterday afternoon reveals the fact that since July first of this year there has been a marked decrease in the number of fires as been a marked decrease in the number of fires has been that for the first two weeks of this month the number of fires has been were considered highly satisfactory by the company's officials and Deputy Chief St. Pierre, of the Montreal Fire Department, who was an interested with fixing the rate of interesting the fact has ince July first of this year there has been a marked decrease in the number of fires has been that for the first two weeks of this month the number of fires has been been that for the first two less than last year, yet the number of investigations have been more numerous.

Following is a table showing the court yesterday afternoon to that since July first of this year there has been the number of fires as ment and potent provides that the War Risk Insurance Bureau shall be abolished invented by upon the termination of war.

Senator Lane. Oregon, offered an amendment providing for the insurance of officers and men sailing on merchant vessels.

Following is a table showing the companion of the two years:—

No. of Investi. Witwall board. With the exception of one lined with
Linabestos, they burned to the ground in twenty
minutes. The houses were of wood, with galvanized
iron outside. The fires were started within the
buildings with oil soaked kindling and excelsior.

| Vibration | Comparison | Compa 1st 2 weeks Aug. 1918 129 19 53
Another remarkable fact about the fires during the onth of July this year has been that more than

SHOWS SOME IMPROVEMENT

Agents Find Business Quiet, But None of Them Are Discouraged, and Already They Are Becoming

nsurance field, and agents who during the first week after the declaration of war, wrote practically no new business, and were very much discouraged over the situation. Mr. Fred Watson, Assistant Manager of the city branch of the Sun Life Asssurance Company, cottage in Outremont — Well Located stated that although business was quiet with his solid brick house; nine large bright rooms in spienagency, there was a marked improvement in the situstated that the amount of new business had fallen off considerably, but there was nothing in the situation to be alarmed about. There had been no anxiety on the \$2.25; Cut Hardwood, \$2.25; Mill Blocks, \$2.00 per part of policyholders a sto the effect of the war on the stability of the company, and there had been no en quiries even made.

When asked what he thought the effect of the war OUTREMONT—Comfortable semi-detached cottage, on Bellingham avenue, close to St. Catherine would be on the agents, many of whom might find business very quiet, Mr. Watson stated that the ROBSON, HILL, RITCHIE & DAVY agents had nothing much to worry about, especially the older ones, as they had their renewals, which brought them in a constant revenue, besides their J.
