"A Perfect Trench at One Cut" BUCKEYE Traction Ditcher

Offers a great opportunity in any locality. Large farms need it for regular use; owners of smaller farms may hire it out for large profits. Contracting for tile drainage is profitable and continuous.

Always in Demand
 "I have no trouble whatever in obtaining all the work my machine can possibly do."—E. H. Wentz, Upper Sandusky, Ohio.

"There are several more Buckeyes working near me, and each has all it can possibly do. I dug over 30 miles last fall."—J. C. Hoffman, Continental, Ohio.

Big Profits for Work
 "My total expenses (for 115 days) were \$36.35, with my time figured in for nothing. I dug 13,312 rods of ditch and the work came to \$2,945.26, so that left me for my work \$2,508.91, and my machine was just as good when I got through as it was when I got it."—John Goll, Jr., Riga, Mich.

"On one job I cut 598 rods in five days, for which I received, at 20 cents per rod, \$119.60. My expense for this time was \$35. This left me clear \$84.60, or \$16.92 clear profit per day."—E. H. Wentz, Upper Sandusky, Ohio.

Machine Stands Work
 "In eight months I dug 8600 rods and I received \$2,002.50. My repairs amounted to \$35."—S. V. Stauffer, Woodburn, Ind.

"The expense on repairs was about \$10 for the season. We have run our machine 114 days and cut 10,850 rods of ditch."—Weber & Crossgrove, Elmira, Ohio.

"I have ditched about 600 miles, as near as I can calculate in over 17 years work with the same machine, and it is good for many years more, with good care."—Jacob Weiker, Shreve, Ohio.

Hundreds of other equally good testimonials show how owners are making the Buckeye Traction Ditcher yield big profits. Let us tell you of the great opportunities for you in tile drain contracting or ditching your own farm. Full information on request.

Out of the Way
 IF "Old Mother Hubbard" went to the cupboard to-day, she would be apt to find a "Peerless" Folding Table tucked away behind the coats and wraps. Because, in most families, this modern convenience has become a positive necessity. To own a

into know what real convenience means. The legs fold flat against the underside when not in use, and it takes up no more room than a child's hoop. It may be set up instantly, anywhere, and is strong enough to support half a ton. Your Furniture Dealer has it, or will get it for you. Ask him.

The one best all-around gun—for ducks, geese, foxes, for trap shooting and all small game—is the 12-gauge, 6-shot

The Safest Breech-Loading Gun Built.
Marlin
Repeating Shotgun
 It handles fast, hits hard and is a wonderful game getter!
 For snipe, quail, partridge, woodcock, squirrels, rabbits, etc., the 16 or 20 gauge has the power of the 12-gauge without the weight.
 It's a fine, quick gun of beautiful proportions, superbly balanced, with every up-to-date feature: Hammerless; Solid Steel Breech, inside as well as out; Solid Top; Side Ejection; Matted Barrel; 6 Quick Shots (5 in 20-ga.); Press-Button Cartridge Release; Automatic Hang-Fire Safety Device; Double Extractors; Take-Down; Trigger and Hammer Safety. It's just the gun you want!
 Send 3c postage for complete catalog of all Marlin repeating rifles and shotguns.
