

Great News For Ford Owners

The illustration shows a Ford Touring Car equipped with a Limousette attachment. Just note the snug fit. This is a most ingenious and practical addition for Ford Touring Cars and Roadsters, which, in combination with the regular Ford top, transforms your Ford into a limousine of striking appearance. It is an absolute protection against wind, dust, rain, and the winter elements.

But its unique construction permits an instant transformation of the limousine appearance and protection into an open car without removing any part.

No changes in the standard Ford equipment is necessary. The Limousette is simply a new practical edition which is vastly superior, in every way, to side curtains.

Ten Reasons Why You Should Buy—

- 1.—It improves the looks of your car
- 2.—It is light in weight
- 3.—Gives clear vision front and sides
- 4.—Permits easy and quick entrance and exit
- 5.—Gives closed car comfort in bad weather
- 6.—Instantly convertible into an open car

An "Ustus Limousette"—

- 7.—Eliminates inconvenience of awkward side curtains in summer
- 8.—It wears well
- 9.—No rattling or vibration
- 10.—No alteration of standard Ford equipment required
