EPPS'S COCOA BREAKFAST-SUPPER

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately-flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."

MADE simply with boiling water and milk; sold only in packets by grocers, labelled thus: JAMES EPPS & CO. (LTD.), Homoeopathic Chemists, London, England.
