Halifax North, Halifax South, Dartmouth,

Philip Rand (for P.W. 10s.), Thos. Mof-

the body of the hall and on the spacious plat-

trast between the agitation which existed in Kansas a year ago, and the peace and quiet which now prevail. He refers to the Lecomp-ton constitution and re affirms his position on that

been secured at an early day.

Being perfectly willing to acquiesce in any itutional mode of settlement, be signed Mr. English's bill, and it is probable that, when Kansas again applies fro admession, she will have the population required by that bill.

He goes at length into the subject, and recommends the passage of a general law so that no by the mouths of their deputies that the Premier territory shall be admitted as a state unless she would give effect to their wishes in these distant has a population sufficient to entitle her to one seas. Lord Derby replied that he would do nothing of the kind. He and his colleagues

He congratulates Congress on the settlement the congratulates congress on the settlement of the Utah affair without the effusion of blood; compliments the officers of the army, there; ex-presses satisfaction with the course of Governor Compliment the design of the army there; ex-presses satisfaction with the course of Governor Compliment the design of the design o presses satisfaction with the course of Governor Cumming, and honorably mentions Col. Kane.

Northern Mexico which borders oer own terri-Northern Mexico which borders oer own terri, but beide in set case contact the Linguistor, tories, and says there are considerations which claim our attention there. We are interested in the peace of that neighborhood. in the peace of that neighborhood.

The lawless Indians enter our settlements in Arizona, and there seems to be no other way by "No power in France," he triumphantly says, which this difficulty, can be removed than by rejoicing in the strength of his position, "has establishing military posts, in Sonora and Chil- the right to remit a penalty which is not definite.

He recommends that this should be done, in view of the fact that Mexico itself is in a state of Italy, the discontent that has so long been anarchy and imbecility, and therefore unable to smouldering there threatens at no distant day to protect its own frontiers. With regard to Spain he refers to the causes affirms that Milan is already in open insurrec-

which have delayed the appointment of a succes-sor to Mr. Dodge at the Court of Madrid, and says Mr. Preston will go out with full powers to the says Mr. Preston will go out with full powers settle our difficulties with that country, if it be the Austrian Government is certain, and their

possible to settle them. He next adverts to Cuba, and says that Island meighbouring Powers. The Sardinian Minister is compelled, session after session, to come before. steps be taken for its purchase. As we obtain all our new territory by honorable negotiation, Cuba should not be an exception.

our new territory by notorious and a second affirms his former opinions in favor of specific subject, have taken to write ominous warnings wind, stranding them in the most extraordinary wind, stranding them in the most extraordinary wind, stranding them in the destruction was tariff question to the consideration of Congress. He then calls attention to the Pacific railroad, and refers to the overland mails as showing the practicability of the route. Among other subject he reiterates his recommendation to establish a territorial government over Arigona.

secure that one grand object—the restoration of the communications between the denote the use of the communication five o'her Knights Commanders. Major General Franks was also summoned to receive the Insig-nia of a Knight Commander of the Bath and the administration. For the rest an amnesty, if month, and shall make the transit in fifte the house of the Bath and the body of the hall and on the space denomi-form were many clergymen of various denomi-franks was also summoned to receive the Insig-nations. Among the "children of Israel" pre-nations. Among the "children of Israel" pre-security wide, can only be beneficial. The country is weary of the contest, and even the country is weary of the contest, and even the convoy shall be equal to the transport of kind of effects. The only remaining art sists of the favoured nation clause, where sists of the favoured nation clause, where sists of the favoured nation clause, where sists of the favoured nation clause where sists of the favoured nation clause and soleme an use all the general advanta

that the constitution and re affirms his position on that which now prevail. He refers to the Lecomp-which now prevail. He refers to the Lecomp-ton constitution and re affirms his position on that subject. He thinks that if Kansas had been admitted with that constitution, the same quiet would have where dat an early day. portant to supply the wants of our steamers in those waters for an indefinite period. The position, too, is of the utmost consequence, as commanding the principal British entrance to the Chinese Seas—as an electric station—as the last opportunity for securing a foot hold in the Eastern Archipelsgo against the Dutch monoply. London, Liverpool, Manchester, Glasgow, asked by the mouths of their denuties that the Premier

Advices from Hong Kong are to October 13. nothing of the kind. He and his colleagues have adopted the views of Mr. John Bright, and will oppose to the death any further extension of our colonial dominion. A colden consecution in the provided that the consecutive and the second state of t

bave cause to regret this decision of the Derby of Shanghai and his assistant mandarins had been waiting for them in state for two days. Kweilang and Hwashana were at once carried into the city, years to complete it, and as it is to be a

He refers to the importance of the treaties re-cently negotiated with China and Japan and thinks that the result in the former case justified our neutral policy. He contratulates the country on the abandon-ment of the right of search by Great Britan; and in teference to Central America says that negotiations are still progressing and that he has not yet abandoned all hopes of success. He also refers to what he stated during the last session in this connection.

not yet abandoned all hopes of success. He also refers to what he stated during the last session in this connection. His views on the subject of the Isthmus routes accord with the policy heretofore announced by Mr. Secretary Cass. His only desire is to keep those routes open. He asks no other privileges for the United States than those which other nations enjoy. Bat be will not consent that the routes shall be closed through the imbecility of the nations who reside near them. He argrets that the Nicaragua route has been closed, and speaks of the necessity of enforcing our claims against Costa Rica. He alludes to Mexico as in a condition of givil war, with scarcely any hope of a restoration to a

with the Shanghai Chamber of Commerce, and is acquiring great personal popularity in the north. If the China Mail is correctly informed, Lord If the China Mail is correctly informed, Lord

our claims against Costa Rica. He alludes to Mexico as in a condition of givil war, with scarcely any hope of a restoration to a permanent government. He also refers to the causes which led to the recent rupture of our diplomatic relation with that country, and speaks well of Minister For-syth's efforts there. If it mere not for the hope of obtaining justice from the liberal party which now appears to be approaching to power in Mexico, the President would recommend the taking possession of a portion of Mexico, sufficiently large to indemnify

China.

President then refers to that portion of decision of these Judges to a higher tribunal, agreeable place of residence during the south-ern Mexico which borders eer own terri- bat before his case could be heard the Emperor, west monsoon.

believe in right, and will accept no favor." If we are to trust recent information from

dred Junks are wrecked, and the loss of lifs among them is very great. The houses on Dou-ble Island are in ruins; and the strength of the break out into a flame. One letter, indeed, wind may be gathered from the fact that godowns on the water-front with walls two feet and a half

thick were actually carried away. The bunga-

lows have disappeared. The hurricano seems to have been local; or, if it travelled, it has done so inland. At Amoy, there was only a sharp north easter. Those who fears are not allayed by the attitude of the have since visited the port say the scene is utterly beyond description. The giant storm wave, advancing in its might, swept the fleet before it, and scattered the ships like chaff before the ments.

Tupper, Provincial Secretray, and Hon. R. B. Dickey, came passengers in the Arabia. A London paper says—the representatives of the maintain our tenure under the long line of the chain of positions by which a London paper says—the representatives of the maintain our tenure under the long line of the binder of the Provincial Governments of Canada, New the Himalayas, from Sikkim and the borders of Brunswick and Nova Scotia have received the honor of separate audiences of her Majesty; and now the responsible advisers of the Crown in degree the alarms which we mentioned in our British North America may with just pride say last overland as having arisen at Darjeeling. British North America may with just pride say that their position has been with equal grace and wiedom recognized by the highest authority in the empire. To Sir Balwer Lytton belongs the credit of having broken down that foolish and despicable routine of deparmental administration district nearest to Calcutta of all those where which kept the colonies of this country under we have had to fight for our rule, this much at tutelage of the Secretary of State and his chief least is satisfactory, that instead of detensive, clerks in Downing-street. The natural and leginothing but offensive measures have for some timate consequence of the system of responsible time occupied our attention; and at this very government in British North America must be moment Brigadier Douglas, at the head of a access to the throne on the part of the colonial force, is, we trust, crushing the last resistance of advisers of the Crown in all matters of imperial Ummer Singh's followers. Meanwhile the Poconcern, and we rejoice that the tederative union lice Cavalry, the mounted 10th, and other deof British North America is the matter which tached bodies, wherever they have come across has now occasioned a change in the administra-tration which will give universal satisfaction and manner. On the 14th of this month, particular tration which will give universal satisfaction and manner. content. The Paris correspondent of the Globe writes

between the French interlopers and our colonists frank and free. were getting serious, and the urgency of arbitra-tion generally admitted. The French commodore has expressed himself ready to confer with a duly accredited commissioner on the part of the colony, and an old resident, long versed in the bearings of treaties and their applicability, the Hon. James Tobin, of the Legislative Coun cil at St. John's, seems to have combined in his person the confidence of our colonists and that of the French authorities. A rupture with France on the subject of drying and salting fish is not to contemplated without merriment; but if Governor Darling and the present officials be not overhauled by Downing-s'reet, such will be the end of the Auglo-French alliance."

elapse before one of the young princes will go for the thing bears on the very face of it absurd-there. Her Maiesty knows by anticipation the

are better prepareed now than they were then to assert their own independence.

India. The date of the Calcutta mail is in arrear of that from Bombay which preceded it, and the Indian papers therefore rather present general views of affairs and reflections than positive news The Englishman, of Oct. 23, renews its com plaints of what it diems the tardiness of Lord Clyde, and in the following passage of its man

summary the Hurkaru indulges the same feelng:--With the exception of one glorious day, the victories in places not near each other-one o those victories as decisive and as brilliant as the circumstances rendered physically possible-the The Russian Treaty with China.

ast fortnight has been but a continuation of the full which is supposed to precede the storm .--Has not somebody quoted in application to this

preparatory pause some lines about a torrent and the fact will exercise undoubted influence on the state of political parties. The Hon. Charles Fisher, Attorney General annuncement that it has overtopped the edge and Prime Minister of New Brunswick, the Hon of the rocks, and begun to dash all before it be low. To take things in order, we find that we with the progress which our authority is making Member of the Legislative Council of Nova Sco-tia, had an interview on the 2nd with Sir E. Bul towards recovering its complete ascendancy. the abortive attempt of the Mooltan traitors. On

ly, the charge made upon an immensely superior mass of rebels will long be remembered as a teat

-" The French mail from the fisheries on the on a much smaller scale, indeed, than that cf cod banks has come in via Galway. The contest Balaklava, but not quite so mad, and quite as

Referring to the rumours that were current at Darjeeling, as to Sir Jung Babadoor, G.C.B., having become our enemy, and that he intended to come down on Darjeeling, the *Phænix* says:-There was some ground, at least more than usually found, at the bottom of this sort of fabri cation, and therefore it is we have heard so much on the subject, and that too frnm so many differ on the subject, and that too many office ent quarters. But it now appears, what we in fact always believed it to be, that the whole thing is bosh. The rumours appears to have originated in this way Some of the emmissaries of, per haps, the arch fiend Nana, or some other equally desperate leaders of the rebels, found their way to Darjeeling, and insidiously spread about re ports that Jung Bahadoor was contemplating a descent at the head of a large body of troops. ent quarters. But it now appears, what we in Ine Canadian iveres processes to have un-doubted authority for stating that although her Majesty finds it will be impossible for her and the Prince Consort to pay a visit to her loyal subjects in Canada, a short interval only will elapse before one of the young princes will go descent at the head of a large body of troops -

etapse before one of the young princes will go there. Her Majesty knows by anticipation the reception that is in store for him. Several of our most distinguished Indian offi cers have been privately invested by her Majesty it is in store to the power and resources of the British to risk his neck, his position, and his prospects, by such a rash and desperate attempt.

with their bondurs in the Order of the Bath, though no formal investiture was beld. This investiture was postponed for reasons known only to the Queen and the Great Master of the Order; but it having been represented to her Majesty that Major-General Inglis was about to berois defender of Lucknow should not return between of his remown without being put in the section of his remown without being put in this be the case it is to be regretted that an official

The destruction was and unlikely complete. Of a fine fleet of twenty-one vessels, only one, the most useless of the lot, held to her anchors, the rest being driven ashore. Nor did the hurricane confine its ravages to the water; it was equally felt on shore. What the tempert-driven waters could not accomplish was completed by the fury of the gale, and the strongest houses were leveled to the ground. The loss cf life among foreigners is miraculously small, the

chief officer and greater portion of the crew of the Gazelle and one European seacunny of the Anonyma being the only futal accidents, alnetcook, Dec. 21; Kempt, Dec. 22; Walton though three men of the Hepscott were severely chinese the number of killed and drowned is not The A on the Sabbath previous to the Meetings .over estimated (according to the China Mail) at
