NEWS BY TELEGRAPH.

Special Despatch to Morning Chronicle. Charlottetown, April 15.—There was great excitement in the House of Assembly

here the closing debate on Confederation.

This question in all its aspects, but chiefly the recent proposals from the Dominion Govern-ment to Prince Edward Island, has been under every night for the last fortnight. The test vote was on an amendment pro-

posed by the Hon. Mr. Haviland, as follows: Resolved, That the best interests and future prosperity of this Island will be promoted by a federal union with the Dominion of Canada, provided the said union can be effected upon such just and equitable terms as may be approved of by the people at the polls.

This resolution, so moderately in favour of Confederation, and giving the people an opportunity to express their views, was lost by a vote

Ottawa, April 13.-In the House of Commons vesterday, the Hon, Sir A. T. Galt moved an amendment to rake the Intercolonial Rallway out of the hands of the Government. He contended that it would be much more cheaply built by private parties, the Government paying a Subsidy, and at the same time be more cheapl worked. He said that the Nova Scotia railways, now an expense to the Government,

Mr. Shanly, who has a large experience in railway matters urged the same arguments as

Aniline Dyes in Packets! THESE does were introduced into New Bruns wick, a few months ago by J. Chaloner, St. John N. B., and being found to work well have been favorably received by the public. They ar

as fo lows:

Magenta or Rosine, Magdala Pink, Crimon
carlet, Purple, Blue, Violet, light and deep
Yeilow, Green, Brown, Poncean Scarlet. Green requires pure wool in order to success, part conton flauncel wont take it. Most of them dissolve freely First Spring Importations ttle spi its, and then added to the boiling water easily use 1, all required is to dissolve the dye is boiring water, a d put in the goods. Iron ve-sels should not be used, a mile oish we'll heated irevious to the operation is the best some of hese dyes make good Inks viz: Purple, Viniet, Blue Poncean makes time Jelly or Syrup coloring, of

J. CHALONER, Druggist, Inventor of this style of "Aniline" Dyes, corner of King and Germain streets, St. John, N. B.
