

## A GUARANTEE BOND

INSIDE EACH ROLL OF

# CONGO

## NEVER LEAK ROOFING

A GOOD many roofings carry guarantees. Most of these are not worth the paper they are written on. They are full of provisos that no one can live up to, *and you have only the manufacturers' word behind them.*

We looked into this proposition some time ago, and determined that we would offer a guarantee with every roll of Congo that would *mean something*. We therefore went to the National Surety Company, a corporation with over \$2,000,000 of assets, and arranged with it to furnish with every roll of Congo a *genuine Surety Bond.*

It *guarantees* that our three-ply Congo Roofing will last *ten years*, if the directions are followed—and the Surety Company stands behind that guarantee to the limit of its resources.

It therefore protects you absolutely. It substitutes absolute knowledge for guesswork.

If we went out of business to-morrow, it would make no difference. The Surety Company is behind us.

We mean to show the public that we have confidence in the *durability* of Congo, and that we are willing to back this confidence up in a way that no other manufacturer ever dared to.

We can afford to make this strong guarantee because we know Congo will last the full period of the guarantee, and more. It has always given better satisfaction and all round service than any other ready roofing made.

This bond is the broadest and most liberal proposition ever offered in the roofing business. It means we have faith in Congo.

*It protects you absolutely.*

If you are looking for a watertight roofing that needs about as little care as a roofing could get along with and give satisfactory service, *backed by a guarantee that means something*, Congo is what you want. It is made of the very best materials that can be secured, and is the most pliable waterproof roof-covering on the market.

Fac-Simile of Guarantee Bond.

We do not ask you to take our word for this, but will gladly send you free samples on request. If you have these before you and consider that behind the roofing is not only our reputation but a surety bond, we know that you will not fail to purchase Congo. Write at once and let us send you Samples.

**SPECIAL NOTICE**—If any Congo rolls that you purchase do *not* contain Guarantee Bonds, write us at once, telling us where and from whom they were purchased, and we will at once mail you the missing bonds.

### CORRUGATED METAL ROOFING & SIDING

"SHOULD LAST FIFTY YEARS"

says Mr. R. Nagle, of Mount Brydges, Ont. about our Corrugated Sheet Roofing. He adds: "I think it is as near perfection as anything I ever saw."

Our "Acorn Quality" Corrugated Sheet Roofing and Siding makes an absolutely lightning-proof barn construction, besides being quickly put on. Our Galvanized Sheets show no signs of wear, even on our earliest work years ago. Such Roofing prevents all moisture or dampness.

## ROOSE BRUSH CUTTER

The greatest boon to the farmers of the West since the invention of the binder. Cuts from five to twenty-five acres of brush per day. Requires only three horses to cut the heaviest willow, and cuts close to the ground, leaving it so that a mower or plow can be used afterwards. Takes the place of forty men cutting by hand and does the work ten times better.

For full particulars write to the manufacturers—
