WANT AD HOROSCOPE
July 5, 1913

When persons born on this date learn to thoroughly master their appetite and passions, and desires and learn to be calm, thoughtful and masters of the situation, they have the power to do many wonderful things.

For instance, they can amass large sums of money. They can organize great undertakings. They can control large numbers of people. This, however, is the reward only of those who are determined to achieve; who let everything else be subserviant to their purpose.

The richest men in the world are found under the sign which controls this birthdate.

The planetary influences are favorable for the coming week to the placing of domestics through the Want Ads. All that relates to the home is favored also and changes of location, if found through the Want Ads, will be especially fortunate.
