NATIONAL LEAGUE

St. Louis, May 3.—Manager Herzog of the Reds and Umpire Riggler staged a regular fist fight in the seventh inning of Saturday's game between the Cardinals and Reds. Herzog argued with Riggler in the seventh after the umpire called Leach out at second when Huggins worked the hidden ball trick on Tommy. Riggler waved Herzog to the clubhouse. Herzog continued his verbal battle, and then the umpire, tearing off his mask crashed it against Herzog's face. In an instant the two men were mixing around the home plate and fists were flying against eyes and noses. Police rushed from the stands and players on both sides joined in the scramble. Herzog suffered a bleeding nose and discolored eye, while Riggler was severely gashed in the foot, where he claimed Herzog spiked him. Herzog denies this, claiming that Killefer accidentally spiked the umpire. Killefer bears out Herzog in this respect. Riggler and Herzog will appear in court on Monday to prosecute each other they said.

The Cardinals won the game by 9 to 5, overcoming an early lead where they scored eight runs on nine hits in the fourth and fifth. Score: R.H.E. Cincinnati . . . 103010000—5 7 1 St. Louis . . . 10053000X—9 11 2 At Philadelphia—More hard luck trailed McGraw when he opened his first series of the year here Saturday. McGraw not only lost another game, but he is minus the services of Pitcher Pol Perritt, who sustained a bro-

ken nose in a collision with Bobby Byrne before the game. The Phillies won by 4 to 2. The accident will keep Perritt out of the game for a month. Score: R.H.E. New York . . . 001000001—2 6 1 Philadelphia . . . 20000200X—4 8 1 At Brooklyn—J. Boston . . . 021000001—4 7 1 Brooklyn . . . 000000001—1 3 2 At Pittsburgh—Chicago made it two straight by defeating the Pirates Saturday by a score of 3 to 1. Jordan Released to Richmond Club

Richmond, Va., May 3.—The Richmond club on Saturday secured the release of First Baseman Jordan of the Toronto team here on Saturday. The slugging veteran will commence his duties here on Monday against the Montreal team. The locals are badly in need of a first baseman, and the Toronto player will be of great assistance. It is stated that he is still the property of the Toronto club but the local management would not affirm or deny this report. Graham will play the position for Toronto. Pitcher Geyer was released by Manager Clymer unconditionally. He is a veteran of the American association and Pacific Coast League. The addition of Laque and Cochrane of the Boston Braves and Cook of the Yankees, to the Toronto pitching staff made it necessary to let Geyer out.

Jordan has been a member of the

Toronto team since 1911. He was secured by the Leafs in a peculiar way. He met with a serious accident to his right knee in a game at Brooklyn, when he was with the Dodgers in the National League. For months he lay in a hospital after a most unusual operation, which was expected to result in his having a stiff leg. The Leafs paid \$1000 for him before he was discharged from the hospital, and took a gambling chance on the knee coming around. It did and he led the leagues on balls and runs scored. He was also the leading home run hitter of the National League while with Brooklyn in 1908. His record for homers in the Barrow circuit was 21. Before going to Brooklyn he was with Baltimore. Since joining the Leafs he played part of one season with Buffalo and was recalled.

Benny Kauff Returned to Brooklyn Federals

New York, May 3.—Benny Kauff, the Ty Cobb of the independents, is once more the undisputed property of Robert B. Ward, of the Brooklyn Federals. Harry N. Hempstead, president of the New York Giants, resigned all claim to the fleet outfielder Saturday afternoon, after he had been closeted for some time with the head of the Tip-tops. Furthermore, Mr. Hempstead apologized to Mr. Ward for his part in the transaction, and Mr. Ward as frankly and openly acknowledged the matter. So there will be no additional fireworks in the baseball war at this particular time.

President Hempstead and Ward, after due conference with counsel, both issued official statements whereby the application for reinstatement to the public stenographer of the Waldorf Astoria Hotel, where the afternoon conference was held. Hempstead's deposition follows:—

"Kauff's services were offered to us several weeks ago, and it was represented that he was under no contract with the New York Club, but a free agent. We investigated these statements carefully, and not until we felt thoroughly satisfied that he was free to sign a contract with us did we sign him. In response to Mr. Ward's telegram, we had a conference with him, and informed him that we had acted in the utmost good faith and in belief that he had the contract with Kauff, but that if he could show us that he did have, we would make no further claim to Kauff's services. In this conference Mr. Ward brought to our attention facts of which we had no previous knowledge, and which we believe gave him the right to Kauff's services. Had we known these facts in the first place we would not have felt at liberty to sign Kauff, and having learned of them, we willingly surrender his services to Mr. Ward."

Here is Mr. Ward's acknowledged exoneration of Mr. Hempstead: "I am satisfied with the situation in regard to Benny Kauff, as set forth in Mr. Hempstead's statement. I believe that the recent complications were all the result of a misunderstanding. So the threatened war of reprisals by the Federal League has blown up in a bubble, and Robert B. Ward and Harry N. Hempstead are all squared in the battle of 'wits.' By turning back Kauff without a struggle, Mr. Hempstead did no more than pay back the compliment of his contemporary in the restoration of Rube Marquard. The cases of the two players were practically the same. Kauff made affidavit to New York that he was not bound to Brooklyn by contract. Like Marquard, he accepted advance money for signing a straight-term contract."

Hamilton and District League Row

In trying to prevent professional soccer in Hamilton, the Hamilton and District League have placed themselves in a very unenviable position. A certain club in the Hamilton and District League signed four professional players, and the forms of these men were passed by the officials of the H. and D. League.

The club picked these players to play, and information was sent to the Ontario Football Association by one of the other clubs in the competition. As a result on the Friday before the game the Ontario Football Association sent a wire to the H. and D. League and also to the club concerned, warning them not to play these four professionals. The officials of the H. and D. League had other opin-

ions, so they instructed the club to go ahead and play these men, and not to take any notice of the O.F.A.

Consequently the club playing four pros, went ahead and have so far played two games. An official of the H. and D. took upon himself to write to the O.F.A. saying that he was to blame for the H. and D.'s action, as he advised them to play these men, but that, of course, will not stand with the O.F.A. These facts are published with the intention of warning the local Brantford and Paris league against having any dealings with the Hamilton and District League, as the former will no doubt be suspended by the O.F.A. in the near future.

One of the players that was signed has been reinstated once, but again turned professional, and as the Dominion Football Association rules says that a player can on no account be reinstated twice, this will prove a bad blow for Hamilton soccer amateurs.

KAUFF CANNOT PLAY IN ORGANIZED BALL

Cincinnati, May 3.—The National Baseball Commission Saturday refused the application for reinstatement of Benny Kauff, Brooklyn Federal League player, who signed a New York National League contract last Thursday.

The finding of the Commission follows:—His request is refused for the reason that in the past he has not respected his contractual obligations, and, therefore, in our judgment, is not a desirable person to be identified with the great national game.

The rest of the decision will be that Kauff cannot play baseball with the New York Nationals or any club operating under the rules of the National agreement.

Chairman Herrmann said: "A player who has twice violated a contract is not a desirable man for baseball. Kauff violated one with organized baseball, and has now, according to reports, violated one with the Federal League."

Soft Ball HAM-NOTT—BOY KNIGHTS

Ham and Nott machine shop team and the Boy Knights played a friendly practice game of softball on Greenwood diamond on Saturday afternoon. The teams were pretty evenly matched and some swift plays at times were made by members of both teams. They both however showed the need of practice. The best feature of the game was the kindly, cordial relations and friendly feelings that the members of the different teams had toward each other. Horse play and roughness being conspicuous by its absence. The score was 23 to 28, in favor of the Boy Knights—Capt. E. Young; pitcher, J. Freeborn; catcher, A. Stephenson.

Boy Knights—Capt. A. Daken; pitcher, A. Reynolds; catcher, Arden Daken. Mr. M. Maynes and D Second acted in a fair and impartial manner as umpires. A large number of supporters of both teams were present during the match and the efforts of the boys to furnish clean sport will doubtless be appreciated.

Sporting Comment

Paris will put a team in the City Baseball League this year in the place of the Maple Leaf Club, who could not get away with all they desired and refused to put up their deposit of \$5. Paris signified their intention of entering Saturday evening. They can play good ball and will be an acquisition to the league, and the passing of the Leafs will not be greatly felt. It is understood that one of the stipulations they desired was the privilege of using any player who had been on their line up during the last three years, but the delegates present would not be dominated in this matter with the result that they will be dropped. Paris will fill the breach admirably.

FOOTBALL—The Ontario Football Association has decided to play the game of football on a Sunday. The officials of the H. and D. League had other opin-

P. S. A. GOING STRONG FOR CHAMPIONSHIP

Tutela Failed and Sons Won From Paris.

P.S.A. 4; HOLMEDALE 1 THISTLES 3; TUTELA 0 S. O. E. 1; PARIS 0

One of the features of the Saturday football games was the manner in which P.S.A. obtained two points from Holmedale and thereby kept the good promise shown in their first games this season. Practically a verge of abandonment, they have proved that no mistake was made when they decided to give the team a trial this year. On the other hand, Tutela have fallen from the pedestal they had assumed, and from some cause or other they could not get a complete team together for their last match, and played four men short. Playing irresistible soccer, P.S.A. carried the play to their opponents, and did not have a great deal of difficulty in finding the Holmedale citadel. Their victory was never in doubt after the first exchanges.

Thistles had it all their own way with the handful of men who battled for Tutela on Saturday, and they apparently felt that the three goal margin was sufficient for their purpose. It was, to say the least, plucky of the Tutelas to take the field with the men they had.

The Scots took a useful two points from Paris at the French capital, and upon this they deserve hearty commendation, for there have been few teams to take a victory away from Paris upon their own soil in the past few seasons.

P.S.A. 4, HOLMEDALE 1.

The P.S.A. met the Tigers on Saturday at Agricultural Park and gained another victory. The P.S.A. kicked off and although Holmedale had ten men out they put up a plucky defence. However the P.S.A. scored in the first ten minutes from pressed hard at times, but were somewhat lacking in combination. The P.S.A. were not long before they put a second one in the foot net, this one coming from the foot net, this one coming from the foot net, this one coming from the foot net, but occasionally pulling off a quick spurt which generally ended at the Holland boys. The third goal for the

Brotherhood was also scored in the first half. This time it was White who put it through. Half time came without Holmedale scoring. In the second half each team scored a goal. The P.S.A. scored first, with a nice little shot from Bonner. The Holmedale lads seemed to play a bit better then and took the ball towards the P.S.A. and Coburn put a well-trying shot in that beat Joe Bee. This ended the scoring. Perrin, of the Brotherhood came near scoring. He struck the crossbar with a shot that had some force behind it. The game ended with the score 4-1 in favor of the Brotherhood.

THISTLES 3, TUTELA 0.
Tutela could only muster six men for the match with the Thistles on Saturday when they lost by the score of three goals to nothing. They played with three forwards and without backs, but the remnants that did put up a struggle played valiantly and were game. That the score should only be three nothing says much for the sportsmanship of their opponents, the Thistles, who played a clean and gentlemanly game throughout. A great deal of work fell upon the Tutela defence which, although crippled and working against odds, did well.

It was unfortunate that such a test match as this, with the champions of last year pitted against the most progressive team this year, was spoiled and robbed of its attraction by the poor turnout of the Tutela Park boys. They have taken another step out of the spotlight and must improve before they can hope to retain the trophies they possess.

HOLMEDALE CUBS OUT
Although the weather was a little cold for baseball Saturday afternoon the Holmedale Cubs had a workout and made quite a showing. Manager Moore says his players are fast rounding into shape, and he will soon have the team ready for the opening of the season.

The H. B. C. (Holmedale Baseball Club) wish to thank the people of Holmedale for the manner in which they have supported the team, and to show their appreciation the Cubs will do their best to make a name for themselves as good, clean ballplayers.

Premier Borden stated that Parliament has not been dissolved, and the subject of an election has not been definitely considered.
