Why Canada must borrow money to carry on

Because Canada has put her hand
to the plow and will not turn back:—

—our country is in the war on the
side of liberty and justice and will stay
in it till complete victory is won and
the unspeakable Hun is smashed and
beaten to the ground;

—a nation at war must make tre-
mendous expenditures in cash to keep
up her armies and supply them with
munitions, food and clothing;

—Canada must finance many mil-
lions of dollars of export trade in food,
munitions and supplies which Britain
and our allies must have on credit;

—for these purposes Canada must

borrow hundreds of millions of
dollars—

And, this money must be borrowed
from the people of Canada:—

Therefore, Canada will presently
come to her people for a new Victory
Loan to carry on.

+ + +

Canadians will loan the money by
again buying Victory Bonds.

The national safety, the national
honor and the national well-being
require that each and every Canadian
shall do his duty by lending to the
nation every cent he can spare for this
purpose.

Be ready when the call comes to see your
country through in its great war work

Issued by Canada's Victory Loan Committee
in co-operation with the Minister of Finance
of the Dominion of Canada

Want "Santa Maria."

H. H. Richards and Capt. James
Hunt have gone to the Maritime Pro-
vinces with a view to making ar-
rangements if possible, to get the
replica of Christopher Columbus' flag-
ship, "Santa Maria," back to Chi-
cago, whence it set out four years
ago on an educational cruise, and
was eventually taken to Prince Ed-
ward Island. Owing to shipping fa-
cilities being tied up by the war
there may be some difficulty in get-
ting the "Santa Maria" to Chicago.

Why Not?

"Twas in her darkest hours,
When the maid was in despair,
Her lover sent her flowers,
And the flowers scent the air.

In a Liberal Mood.

"The Judge was very nice."
"Yes?"

"Gave me a divorce, permission to
marry again, and intimated that if I
didn't do better than I did the first
time he'd grant me another divorce."

The Control of Tibet.

Tibet is controlled virtually by
the natives, who are a branch of the
Mongol race, the Chinese Govern-
ment looking after foreign relations
and maintaining small garrisons of
Chinese troops.

Upset the Molasses.

When a barrel of molasses burst
on a Freeland, Pa., street, firemen
were called out to flush the bricks
so traffic could proceed.
