Thomas C Shreve, Esq. of Digby,
passed away on Monday at the age
of fifty-two years. The deceased was
born in Guysboro county. After
graduating from Kings College,
Windsor, he studied law with Judge
Foster, and in 1870 he was admitted
to the bar. In 1878 he was made a
Q. C. At one time he was a partner
with Judge Savary at Digby. He was
the first mayor of Digby, and held
that office in all, for six terms. He
was president of the liberal-conserva-
tive association of Digby county.

The British War Office has decided
to purchase only home-grown beef
for the army. As the army purchase
of American beef is only 2 per cent
of the imports the change will scar-
cely be felt by American shippers.
British beef now used by other con-
sumers will be bought for the army,
and American beef now sold to the
army will be taken by the other con-
sumers.

Mrs Emily R. Emmerson, wife of
the Hon H R Emmerson, former Pre-
mier of New Brunswick, and M P for
Westmorland, died at her home last
Sunday aged 47 years. She was the
only daughter of the late Chas B.
Record, a former well-known busi-
ness man of Moncton, and founder
of the Record foundry and machine
shops. She leaves a husband and
five children. The remains will be
buried at Moncton.

The Windsor Marine Insurance
Co. which has had a most remark-
able career, held its annual meeting
on the 9th inst. It was decided by
the directors and shareholders that
the company wind up its business,
because very few wooden vessels were
being built and few risks taken. All
the directors were re-elected and in-
structed to take steps to dissolve the
company. The original shareholders
paid in a call of 25 per cent. The
balance of the capital was paid out
of the earnings, until the full amount
of the shares subscribed was paid up.
Since the first two or three years'
dividends ranging from \$10 to \$50
per share have been declared an-
nually without a break. That such a
company deems it expedient to go
out of business is a sure indication
that the glories of the old wooden
shipping days have departed forever.

"Making Fast Time"
We are making a great record. No other fence
can compete successfully with the "Page." We
now make our own wire and so get just the
best quality we need. Hence, we now furnish
a still better fence than ever. Prices lower than
year. Better look into it. Not room here for
photos. We also manufacture lawn fences and
gates. High in quality and low in price.
