MARRIED

VIDETO-MARSHALL—On Aug 2, Aubrey Videto of Bridgetown and Miss Beatrice Marshall of Digby were married at the parsonage by Rev. A. W. West. Mr. Videto was a member of the 13th draft that went overseas recently.

Rev. O.C.S. Wallace, D.D., who has been visiting his mother at the old home at Canaan left yesterday morning to return to Montreal. This is his first visit here since his irreparable loss in the death of his wife. His mother, Mrs. Wallace will celebrate her 84th birthday today.

"THE CANADIANS IN FRANCE"

A "GREAT WAR MAP"
Canadian homes will no longer have difficulty in following the Canadian troops in France. There has just been issued a map of the European War area that clearly shows every point of interest that has been mentioned in despatches since the Canadian forces first landed in France. It has been made specially for the great Canadian Weekly, The Family Herald and Weekly Star, of Montreal, and is a credit indeed to Canadian enterprise. It is a marvel of detail and yet not crowded. It is in four colors and about 2 1/2 x 3 1/4 feet and folded into a very neat cover, about 5 x 10 inches. The Map is surrounded by a border of the regimental badges and coat of arms of nearly every battalion that left Canada, from Halifax to Vancouver. Every important point can be recognized at once. That portion of the map covering France is in a soft color with names of towns and battle scenes in black, easily recognizable. The Map is endorsed by returned military experts as most complete and accurate in detail. The Map could not be produced, except in such large quantities as The Family Herald will use, at less than two dollars a copy, yet it can be had absolutely free with The Family Herald.

The publishers of The Family Herald and Weekly Star for several months back have been fighting hard against the necessity of increasing their subscription rates, but eventually had to come to come to it like most other papers. The increase, however, is a mere trifle—twenty-five cents a year, making their new rate \$1.25—and with the year's subscription they will include a copy of this great War Map free of charge. This is certainly a generous offer, and one that Canadians will appreciate. Many expected a much larger increase in the subscription price of The Family Herald, and are surprised at the small extra amount charged. The enormous circulation of The Family Herald and Weekly Star should be still greater when this offer becomes known.
