

TO ALL Whom It May Concern

THE Parliament of Canada has recently passed a bill regulating the taking of the vote on the Referendum in Ontario on April 12. The points to remember are as follows:

1. Every British subject by birth or naturalization, man or woman, resident in the Dominion of Canada one year previous to February 1, 1921, and resident in the Province of Ontario for two months previous to some date, is entitled to vote, unless otherwise disqualified.
2. Voters' Lists used in the last provincial referendum are the lists to be used in this Referendum, subject to revision. Every voter in an urban polling division must be on the list, and will presumably be on the list only in the division in which he resides.
3. In incorporated cities and towns of 1,000 population or over, arrangements will be made for receiving applications from any who are not now on the list on March 29 to April 4 inclusive—except Sunday—when for six clear days officers will sit to receive such applications.
4. In rural polling divisions the voter must be either on the list or be put upon it as a resident and be vouched for as such by another resident.
5. Both affirmative and negative sides have the right to select scrutineers.
6. Women have the right to vote.

Make Your Town Popular.

Every citizen of a town or community has some personal responsibility resting upon him or her and everyone should such duty incumbent upon them. It has been said that a town is very like an individual. To be flourishing, it must have energy and enterprise. The people in a town should remember the individual prosperity depends to a large extent upon the character of the place in which their business is located. Every public measure should be liberally supported by all especially the business men. At the present day there is as much competition between towns as there is among persons and business enterprises. A man seeking a location will invariably select a town that is up to the times, and is eagerly in favor of every modern improvement. No town in these modern times can afford to be peopled with old fogies or ante-diluvian fossils who are continually kicking at every enterprise. To make a flourishing town every citizen must believe in its future and work for it encouraging every movement. Make a special effort to exhibit some evidence of improvement in your own work and character. Help every worthy man, every enterprise and encourage every good man to locate in the town or community. It is up to you kind reader.

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
