AN OLD BOY HOME

John Kennedy, of Morengo, Ill., an old Chatham boy, is spending a few days with his friends and relatives in the Maple City.

Mr. Kennedy left Chatham in 1857 and since that time he has paid three visits to his old home. He also served in the civil war and his father, John Kennedy, was an old Waterloo man.

"It is 13 years since I last visited Chatham," said Mr. Kennedy, to the Planet, "and I find the old town much improved in appearance, especially in the streets, buildings and store fronts. I am always glad to think of Chatham and although I am an American now I have a warm spot in my heart for Canada. I am sorry that I did not attend the re-union but I am taking home a number of The Planet's souvenir numbers. It is a fine number, and one of the best and most valuable editions I have ever seen. I remember many of the people whose pictures are in it."

Mr. Kennedy always reads The Planet and is well posted on the matters going on in the old town. He remarks here until next Monday, when he will return to Morengo, where he has a large and profitable grocery business. He is at present the guest of Mrs. Jane Somerville, John Kennedy and Grace Kennedy.

The season for holiday trips having arrived, most people are considering the easiest places to reach, where they will derive the benefit of rest and change of air. Mr. W. E. LACROSSE

ROUGH HOUSE AT ST. THOMAS. Jack Kelly refereed the lacrosse game in St. Thomas yesterday between the home team and Chatham and had a little trouble. After the St. Thomas players got a lead of four goals their opponents walked away with them. There was a good deal of betting on the result, and a lot of people blamed the referee. One of the St. Thomas men, Nethercott, tried to mix it up with Kelly, and he will be reported to the Association for his trouble.—Bramford Examiner.

Even the tattooed man objects to being called hard names.

Teachers of cookery must have the best. Their work demands perfection, especially in baking. They cannot take chances with a baking powder that will raise today and fail tomorrow. That is why they use Cleveland's in their work. They know that it is pure and sure.

Housewives everywhere will recognize the value of such commendation.
