### INSPIRING SIGHT

"I saw a sight that did my eyes good this morning," said Dr. A. W. Thornton to The Planet. "I went over to the Central school at nine o'clock and saw the children marching in to their different rooms. It certainly was an inspiring thing to see how such a large number fof children are under the complete control of their teachers. Everything works like the finest of clock work

"When I was in Toronto I heard the Minister of Education complainng of the dropping off of the attendance at the Public schools. It was plain to see, however, that the at fault. There was an excellent at-tendance, especially in the kinder-garten, which speaks well for the health of our children in Chatam."
