

BEST INVESTMENT GILBERT EVER MADE

Tanlac Restored Dartmouth Man
To Health 10 Years Ago—
Still Feels Fine

"Yes, sir I can recommend Tanlac for it set me right two years ago, while I was living in Hamilton, Ontario, and I have been in good shape ever since," said Jeffrey Gilbert while in Kinley's Drug store in Halifax, recently. Mr. Gilbert resides at 35 Ochterlonny street, Dartmouth, and is employed as boiler maker at the shipyards.

"Never in all my life," he continued, "have I had a medicine to do me so much good as Tanlac. My stomach had been giving me trouble for sometime. It just seemed like I could not eat anything but what would give me indigestion the worst kind. I would bloat all up with sour gas and feel miserable for hours after every meal. There was a feeling like a lump of lead in the pit of my stomach. I would almost double up with cramping pains and could hardly draw a deep breath. My appetite was so poor that I never relished anything to eat and I just suffered constantly with that indigestion. I was continually losing weight, felt weak and sluggish all the time and had no energy."

"I had tried all kinds of medicines, but kept getting worse, and after Tanlac came to Hamilton and so many people there got to praising it I bought a bottle and I declare that was the best investment I ever made in my life. Before I had finished the first bottle I felt a considerable improvement. Then I bought another, and another, and when I had finished my fourth bottle my stomach was in fine condition and I have not been troubled with indigestion since that time. The gas and pain all disappeared and I am still eating just anything I want without the least trouble from it. It was not only my own experience with Tanlac that convinced me it is a wonderful medicine, but I personally know many others who took it with just as fine results as I did. You can't beat it and if I should get to where I need medicine again I wouldn't think of anything else."

Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centreville by Stevens Bros., in Woodstock by E. W. Mair, in Benton by W. E. Porter, in River de Chute by Daniel B. Baird, and in Florenceville by A. B. Lovely and in Bath by Bath Drug Co. H. M. Foster, Mount Pleasant, John McIntosh, Glassville, Chas. L. Bent, Plaster Rock.

The Late Dr. J. C. SHARP.

SHARP'S BALSAM

of Horehound and Anise Seed

gave relief to those suffering with colds, etc., seventy years ago—long before most of the "cold cures" now on the market were even thought of.

Sharp's Balsam was the old standby—the reliable family remedy—of our grandfathers, and it is equally effective to-day.

MR. CAMPBELL'S EXPERIENCE
J. G. Campbell, a prominent barrister of St. John in 1882, writes:

"One of my children suffered for years with a severe cough. The usual remedies were applied without effect. I obtained some Sharp's Balsam, and after the use of about eight ounces of this extraordinary remedy the cough stopped completely."

Ask for this famous old remedy when you need a cough medicine. Sold at all drug and general stores everywhere—35c.

Farmers' Big Convention

(continued from first page)

edy the increase of imports from Great Britain and the increase of exports to the United States. With regard to the proposal to raise revenue by taxation, he said that in 1917 eighty-nine per cent. of the revenue of Canada was raised through consumption and even per cent. from property and income, hence the great burden was on the poor consumer.

He said that the Grain Growers' Association last year bought farm machinery in the United States and sold it in Canada cheaper than the Canadian manufacturers were selling.

In the afternoon session S. H. Hagerman, general manager of the United Farmers' Co-operative Co., of New Brunswick, Limited, gave a discourse on the working of the co-operative company. During his speech he attributed the present high cost of living to the fact that there were too many men in business in proportion to the amount of business done, with the result that business had become "top heavy." In the course of his remarks, he said the company now had fifteen branches in the provinces and that the paid up capital of the company, \$14,000, was turned over three times every month. He made an appeal for the sale of more stock, saying that the limit for individual holding had been removed. Fred Smith was introduced by the chairman as the candidate selected by the United Farmers of Carleton county for candidate in the next provincial election.

Mr. Smith spoke for a few minutes on the provincial platform. He spoke particularly of the improvement of roads. He was given a good reception. T. W. Caldwell, M. P. for Carleton, Victoria, was unanimously re-elected president of the United Farmers of New Brunswick at this morning's session of the annual convention of the association. It was decided to have the bye-laws, constitution and other literature printed in French as well as in English. Col. J. H. Frazer, a member of the Canadian Wheat Board, is on his way here and will address the convention.

Other officers elected were as follows: First vice-president, J. F. Reilly, of Melrose; second vice-president, John Inch, of Keswick; auditor, R. K. Tracey, of Florenceville; organizing directors: Carleton, C. Gordon Sharpe, Pembroke; Westmorland, J. Frank Reilly, Melrose; Restigouche, J. G. Cook, River Charles; York, Alexander Brewer, Burd's Corner; Victoria, Henry son Gorey, Red Rapids; Queens, J. G. McRae, Shannon; Kings, Kenneth Raymond, Norton; Charlotte, Chauncey Paulard, Tower Hill; Sunbury, Walter Hardgrove, Lakeville; Albert, Henry H. Tingley, Albert; St. John, F. M. Bamford, Haldenwood; Northumberland, G. E. Dunphy, Upper Blackville.

The third annual convention of the United Farmers of New Brunswick was closed after a three days' session, with an eloquent speech by Colonel Fraser, of Toronto, and a musical programme.

Rev. Frank Baird, of Woodstock, spoke on Rural Education. He thought the solution of the problem was resident teachers, who would have plots of ground to work during their spare time.

Prof. Maxwell, principal of the Woodstock Vocational School, told of the advantages of vocational training. J. M. Pratt, of the Grain Growers' Guide, Winnipeg, and G. G. Archibald, editor of the proposed United Farmer, to be published in Moncton, spoke of the necessity of the farmers supporting their own newspapers. About 200 subscribers were received that afternoon for the United Farmer.

The officers and organizing directors selected the following directors at large to complete the organization, which choice was ratified by the evening meeting: Mrs. J. R. Taylor, Little Shemogue; Mrs. Wm. Reid, Mouth Kewick; Mrs. Hezra Lutz, Berry's Mill; Ashley George, Ernest Stairs, N. F. Phillips, I. W. Carpenter, Fred Stewart.

There are five simple ways to tell good tea.

First, by the bright copper color of the tea when steeped.

Second, by the exquisite aroma.

Third, by the delightful, refreshing flavor.

Fourth, by the satisfying richness.

Fifth, by the economical strength.

Make a brewing and you will find all these qualities combined in Red Rose.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!
