W.D.MAIN & CO'S Douglas Block, Amherst, N. S.

Because they are remarkable for their durability Because they are subject of such frequent commendation Because they save women many weary hours of labor and toil. Because true merit and actual worth are their principal features. Because good cooking and good humor are necessary to longevity. cause your daughters will be properly educated in culinary matters Because an opportunity is seldom offered for procuring such an article. Because they not only make life enjoyable, but absolutely worth living. Because they make existence bloom, like Arabia, in perpetual summer. cause husbands need not slave and toil to find fuel to keep them going. Because they consume one-third less fuel than any other Range or Stove made Because they are honest and true, and the longer used the more appreciated.
Because the smile of the good wife may keep the husband from the dram-shop cause they heat more quickly and retain heat longer than any other Stove. Because you will feel glad you were born in a country that produces such things. Because they have won remarkable success in the "Great South" and "Large West. Because they can be used by the "Belle of the Ballroom," as well as the girl who

tion day. The partakers who were not fighting were doubled up under the fence.

From Amherst.

The Church of England Sunday School picnic was held yesterday afterneon at Fort Cumberland.

—Rapid progress is being made in the building of the rink and exhibition building. Rhodes, Curry & Co. have the contract for the latter at \$2,033. The building will be very plain, but quite suitable for district exhibitions for which it is intended.

—Two flat cars of the ballast train engaged in raising the track at the canallumped the rails near Victoria Street Crossing on Monday evening. The two cars were so badly disabled that they had to be thrown from the track. No one hurt.

—Quite a sensation was caused here on Tuesday by the report of an attempted larglary early that morning. Some scoundrel, as yet unknown, disguised by a liberal coating of burat cork or soot, had entered the residence of the Widow Tucker by a back window. After ransaking the house pretty thoroughly, lighting his way by matches, the ruffian, and the proposed proposed the proposed proposed the surface of a boarder, Miss Boyce, who was awakened by the noise. She attempted to give an alarm, but was threatened with having her brains blown out should she stir. The man evidently let the mere the occupants were, and he doubtless thought that Mrs. Tucker would have money in the brain and the country of a physician, or are too far removed to easily call one, and a still that Mrs. Tucker would have money in the brain and the country of the morning as the proposed to employ a physician, or are too for removed to easily call one, and a still that Mrs. Tucker would have money in the brain and the brain should be still the proposed to easily call one, and a still that the transaction of the removed to easily call one, and a still that the proposed to easily call one, and a still that the proposed to easily call one, and a still the proposed to the proposed to easily call one, and a still the proposed the proposed to the proposed to the proposed to the proposed to t

Shaker Syrup Company: Dear Sirs—Although greatly prejudiced against patent medicines in general, I was induced, from the excellent reports I had heard of your Blood Syrup, to try a bottle, last December, for dyspepsia and general prostration, and I have received very gratifying results from its use. I am now using the second bottle, and consider it a very valuable remedy for indigestion and its attendant troubles. December, for dyspepsia and general prostration, and I have received very valuable remedy for indigestion and its attendant troubles.
