**The Colonial Times.**  
AT an early date after the opening of the naviga-  
tion, we intend publishing in Chatham, under  
our own immediate superintendence, a large quarto  
weekly newspaper, called the

**COLONIAL TIMES.**  
We consider it quite disputable to this section of  
the Province, possessing as it does so much influence  
and talent, that it has allowed its interests to be  
represented for nearly half a century by one paper,  
while another well-conducted Journal could be sup-  
ported with so much ease. We have resolved, that  
this state of things shall exist no longer, and are  
gratified with the cordial reception our proposal has  
met from all classes of the community.  
The COLONIAL TIMES shall be devoted to the  
advancement of Education, Agriculture, the Fish-  
eries, Commerce, Literature and Science.  
Eschewing all sectarianism, we shall represent  
equally the different denominations of Christians.  
While we avoid, as much as possible, entering the  
arena of politics, our columns shall be open to the  
discussion of all important questions, with this  
proviso, that no scurrilous attacks on any man's private  
character shall ever disgrace our pages.  
We intend, as far as possible, to encourage and  
develop local talent. With this object in view—as  
well as to make our pages the more interesting—we  
shall endeavour to procure one or more original arti-  
cles weekly. When desired, the names of contribu-  
tors will be kept strictly private.  
Our best efforts shall be used in the advancement  
of every useful local institution; all, therefore, who  
take an active part in promoting the welfare, elevat-  
ing the character, or advancing the interests of the  
people, will find in us a faithful friend; their efforts  
will not be allowed to pass unnoticed.  
We shall advocate the introduction of Railways,  
and other internal improvements, best calculated to  
develop the resources of this most valuable, though  
much neglected, section of the British American  
Colonies.  
We shall furnish our readers with the latest news,  
foreign and domestic. Selections from the English,  
Irish, Scotch, American and Colonial papers will be  
given under their respective heads.  
The market prices current shall be revised weekly  
for the benefit of our country subscribers.  
For the entertainment of those who love a good  
story, every issue of our paper will contain one,  
carefully selected, and attractive; its length how-  
ever, will be limited.  
The COLONIAL TIMES shall sustain an unques-  
tionably moral tone, so that parents may safely  
place it in the hands of their children; and as we  
have always felt a particular interest in this class,  
we shall not fail to reserve a corner for their special  
benefit.

Confident that we shall be nobly sustained in our  
present enterprise by an intelligent public, our pre-  
parations for publishing are going forward with all  
possible haste.  
Our terms will be Ten Shillings per annum,  
payable half yearly in advance, or Twelve and Six-  
pence at the end of the year.

**TERRIBLE DISASTER ON THE PANAMA  
RAILROAD!**  
The mail steamer George Law, from Aspi-  
wall, arrived at New York on Friday last. She  
brings the California mails to 21st April, 800  
passengers and \$1,700,000 in gold dust.  
A terrible accident had happened on the Pan-  
ama Railroad, by which large numbers were killed  
and wounded. The Aspinwall Courier of the  
7th inst. says:—  
Yesterday morning, three trains left this city  
for Panama, with the passengers of the steamer  
George Law, in numbers 900.  
A baggage train preceded the passengers, and  
the engine ran off the tract on Obispo Bridge some  
fifteen miles this side of Panama.  
Passage being impossible after this mishap, it  
was determined to send the passengers back to  
Aspinwall. At Matachin, two miles this side of  
Obispo, one of the two engines gave out, and the  
other engine had to take both trains, consisting  
of some twenty cars.  
About half a mile the other side of Gatun  
Bridge, the second car from the locomotive ran  
off the track, from some cause now inexplicable,  
and eight others followed; some were piled up  
on top of others across the track, and others were  
rolled off on either side.  
These cars were filled almost entirely with  
steerage passengers.  
As soon as possible, after the crash, tidings  
were sent to this place—and a train was despatched  
for the purpose of bringing the wounded.  
Over fifty were brought down, two of whom  
died before they could be removed to the hospital.  
After these were all as well as possible, the  
train, with additions, was returned to bring down  
the uninjured passengers that had been left at the  
place of the accident.  
This train returned at 4 o'clock this morning,  
with a few more wounded, and the most of the  
passengers.  
At the latest advices from the scene of this sad  
affair, the wreck had not been yet entirely cleared  
but some thirty bodies had been taken out.  
But very few ladies and children were injured.  
The great feature of interest in San Francisco,  
has been the serious consideration by the Com-  
mon Council to grant to Messrs. Denis, Parsons  
and others, the right of wharfage and dockage of  
the entire water front of the city for a term of  
twenty-five years, in consideration of the grantees  
constructing a sea-wall or bulk head, upon a plan  
proposed by themselves. The wharfage receipts  
are said to be \$500,000 per annum, and at this  
rate (and it will be far more in future) the re-  
ceipts for the twenty-five years would amount to  
twelve and a half millions, while it is thought  
that the sea-wall can be built for three millions.  
A large fire occurred in Placerville on the 10th  
ult., doing damage to the amount of \$50,000.
