QUEBEC GOES LIBERAL

Election Results are Liberal, 58; Conservatives, 18; Labor, 2.

Montreal, May 15—The Quebec provincial elections today resulted in the return of the Gouin government by an increased majority over that which it had in the last house.

By the redistribution act passed at the last session of the legislature seven new seats were added and while the opposition captured four of these, it lost two others, thus making the net gain in the Liberal majority in the new house three.

All of the members of the cabinet were re-elected, the only one to suffer defeat being the Hon. Chas. Devlin, who was, however, successful in Nicolet county.

Premier Gouin was elected by large majorities in both Portneuf and St. Johns.

Mr. Tellier, the opposition leader, was re-elected in Johette, but two of his leading lieutenants, Armand Laveigne and Jules Prevost, both of whom ran in two counties suffered defeat in one. Mr. Laveigne winning in Montmagny and losing in Montmorency, and Mr. Prevost suffering defeat in L'Assomption and winning in Terrebonne.

The parties now stand as follows: Liberal 59, Conservatives 18, Labor 2, Deferred 2.

Teachers In N. S. Get Big Raise

The good news comes from Halifax of the passing of a government measure to increase the teachers salaries by 25 per cent. The government will increase the grant by 12 1/2 per cent on condition that the districts give the other 12 1/2 per cent. Let N. B. do likewise soon.
