

\$25,000 BANKRUPT STOCK TO BE SOLD FOR \$10,000

This Means 2½ For 1

This is the stock of a well known retailer and consists of only new up-to-date, seasonable goods, such as Women's, Men's and Children's Ready-to-wear Goods, Boots and Shoes, etc., and has been purchased by us from the hands of the Sheriff, at a low cost. We are in turn passing this stock to you.

Our premises are overcrowded. We have no room to handle this stock, so we are going to give the people of Newcastle and surrounding towns the benefit of one man's loss, by offering this stock for what it will bring. To this end we have rented the old Park property, opposite the Town Hall, and engaged

The W. W. Johnson Co., of Montreal

to dispose of this stock in the shortest time possible at the rate of two and one half for one. By this we mean that every dollar spent here will bring you at least two and one half in value. This sale means an investment for your money and not an expenditure. Take advantage of it. Be wise! Save your dollars until Opening Day.
