The appearance of an article in the North American Review on the "Practice of Confession in the Catholic Church," from the pen of a priest, the Rev. R. F. Clarke, S. J., is a noteworthy event; it is not so long since it would have been impossible to present the subject of confession from a Catholic viewpoint in any secular publication. Father Clarke does not touch on the supernatural benefits attaching to the confessional, but only on the natural advantages it offers. In answer to the familiar Protestant contention that children become
