BERLIN, Dec. 27. Bulgaria is preparing to resume war according to a despatch from Bulgaria. The correspondent says that the Bulgarian War Minister has called up recruits due to be enrolled only in 1914, and has summoned all able-bodied men up to the age of 50 to the colors. Large supplies of war munitions and provisions have reached Rusechuk on a Russian steamer, which came up the Danube. Other steamers brought a large number of cavalry horses and hospital supplies.

LONDON, Dec. 27. A Durazzo despatch to the Times, dated Dec. 23rd, says that after four days' fighting between Baba and Deitche, ten miles north of Alessio, the Turks were driven out of the neutral zone on Friday. They lost several hundred killed and wounded, while the Servian casualties numbered 200. A Greek steamer brought to Durazzo great quantities of war stores, including twelve guns from Saloniki for the Servians at Alessio.

BERLIN, Dec. 27. The Kaiser's fifth grandchild, a boy, was born to Prince August Wilhelm, His Majesty's fourth son, and Princess Alexandra Victoria, yesterday. The other four grandchildren are all boys. The Kaiser attended the accouchement. The Kaiser called and left a bouquet for the mother. He also ordered salutes of 72 guns fired at Potsdam and Berlin. Mother and child are doing well.

LONDON, Dec. 27. Following up the hitherto comparatively harmless campaign against letter boxes, fire alarms, and telephone wires, suffragettes are apparently adopting a new form of militancy, which, if persisted in, will seriously threaten the public safety. They have been interfering with signal wires at Potter's Bar on the Great Northern Railway. The wires were found tied together with a rope, to which was attached a letter pleading for votes for women. The discovery was made before any damage was done.

PITTSBURG, Dec. 27. Edward L. Dawes, millionaire, head of the Bath Tub Trust, and a leading citizen of New Brighton, 25 miles from here, has followed the example set by Corey, former president of the Steel Trust. Dawes divorced the wife of his youth and was married to Mrs. Forger, his former stenographer, also divorced. With the announcement of his wedding comes word that Dawes has quit New Brighton and Pittsburg forever, and will make his home in Toronto.

Hr. Grace Notes.

A little drunkenness was noticed on the streets on Tuesday night. It is only fair to say that this state of affairs was caused more by the "clock" received by train than by the breach of the Temperance Act in Harbor Grace.

Little Dorothy Darby, the 11-year-old daughter of Rev. T. B. Darby, passed away early on Tuesday morning, the 24th inst. The little girl, who was a favorite with all, has been failing for some time and her death was anticipated. The sympathy of the whole community goes out to the sorrow-stricken parents. The funeral took place yesterday afternoon.

The members of the Loyal Orange Society, held their annual parade yesterday forenoon, and attended service at the Methodist Church. The service was conducted by the Rev. J. Pinrock. The day was very suitable for the parade. The British Society's band furnished the music on the occasion.

The ladies of the Cathedral Parish are holding their annual Christmas Tree. The affair was opened yesterday and was largely attended and very enjoyable. It is to be continued to-night.

Rev. F. S. Coffin, of St. Andrew's conducted service in the Methodist Church, on Sunday forenoon.

The new band instruments for the K.E.B., arrived last week, and is on exhibition at the shop of Mr. James Cron. It is a fine drum band and the lads will commence practice right away.

Miss Madge Oke, C. of E. teacher at Placentia, arrived by last night's train to spend her vacation with her parents and other friends here.

HARBOR GRACE, Dec. 27, 12.

Ships Will Be Lengthened.

Yesterday afternoon, the annual meeting of the Bellaventure and Bonaventure S.S. Companies, was held with quite a number of interested persons present. The Companies this year paid no dividend and the same Board of Directors as last year were elected. It was determined at the meeting to have both ships considerably lengthened as at present they are not large enough for the fruit trade in which they are engaged in the summer season. The ships will be cut amidships and added to and they will be fine cargo boats as big if not bigger than the Adventure when finished. They will be sent across next year to make this improvement effective.
