

RIGID ECONOMY!

In a recent speech in London, Premier Asquith urged personal thrift throughout the nation so as to make it possible for the country to bear the strain of the expenditure entailed by the cost of War.

Let us show you how you can reduce your expenses at least 35%. Make frequent use of the Dry-Cleaning and Dyeing processes. In the past you have discarded garments which could easily have been restored to original freshness and beauty through our cleaning process.
