War News.

Messages Received Previous to 9 A.M.

OFFICIAL.

The Governor, Newfoundland: LONDON, Nov. 15. France—In Artois the Germans surprised the French first line trench but were subsequently expelled, leaving all their wounded. Elsewhere, artillery duels. Russia—The retreating enemy was pursued near Riga. The Russians are advancing west from Kernern. Italy—Fighting continues near Gorizia and on Carso. The Italians are making some progress. Thirty were killed and forty-eight injured by an air raid on Verona. The Serbians continue in orderly retreat before superior enemy forces. BONAR LAW.

GERMAN MESSAGE FALSE.

LONDON, Nov. 15. A statement issued yesterday by the British Admiralty says that in the German wireless message on the night of Nov. 12th, it was conjectured that British hospital ships are being used for conveying troops, munitions and other war material. This is absolutely false. British hospital ships always have, and always will be used under the conditions prescribed by Geneva and Hague Conventions.

CHURCHILL IN THE COMMONS.

LONDON, Nov. 15. Churchill said in the Commons today that the project of sending an army to the relief of Antwerp originated with Kitchener and the French Government. He made this statement in outlining the reasons for his resignation from the cabinet, and explaining his administration of the Admiralty, of which he formerly was First Lord.

BERLIN WAR OFFICE REPORT.

BERLIN, Nov. 15. The announcement was made by the War Office today of the capture of 8,500 Serbians with 12 cannon. Of these, 7,000 prisoners and 6 cannon were taken by Bulgarians. Pursuit of the Serbians is being continued all along the front.

MANY CRAFT AND LIVES LOST.

LONDON, Nov. 15. Many of the smaller shipping craft have been lost as a result of recent gales, and the French steamer St. Malo, 123 tons, turned turtle near Guernsey; all on board were lost.

TEN OF A CREW PERISH.

BORDEAUX, Nov. 15. Ten of the crew of the Spanish steamer Bernabe, from Cardiff for Bilbao, with a cargo of coal, perished when the vessel ran ashore in a gale at St. De Lacoubre, at the mouth of the Gironde river. The steamer is believed to be a total loss.

ITALIAN PROGRESS.

ROME, Nov. 15. The official statement issued today at the headquarters of the Italian General Staff, reports progress at several points, but there were no important developments.

LOOK FOR SPEEDY DEVELOPMENTS.

LONDON, Nov. 15. A Petrograd despatch to Reuters Telegram Company says that Japan has rendered opportune aid in the Baltic duel between Generals Ruseky and Field Marshal Von Hindenburg in the matter of shells; and now that artillery conditions have been equalized, the Russians are confident of the result. After long and arduous fighting in the marshes, the Russians have emerged from the lake defiles, and the military authorities look for speedy developments in General Ruseky's aggressive tactics. The Germans are driven back to within ten miles of Mitau, and are evacuating the munition depots.

UNEASINESS AT MONASTIR.

SALONIKA, Nov. 15. Renewed uneasiness is reported among the population of Monastir, because of a large Bulgarian force, which has been threatening the People front in the Babuna region, although the situation at Babuna Pass and the Katchenka defile is said to be unchanged. It is reported that three German submarines are using

the Bulgarian harbor of Varna on the Black Sea as a base, and that three battalions of Turkish troops have been sent to that port. British troops and stores continue to be landed here, taxing to the utmost the resources of the port and the railroads.

NORWEGIAN STEAMER SUNK.

LONDON, Nov. 15. The Norwegian steamer Wacousta, 1,983 tons, is reported sunk by a submarine. The crew were saved. The Wacousta sailed from Picton, N.S., on Oct. 15th for Vladivostok.

REPORT NOT CREDITED.

NEW YORK, Nov. 15. There was a report this morning that the Adriatic had been sunk, but the report did not state whether the steamer was the Adriatic of the White Star Line or the Adriatic which left Greece on Oct. 13th for Philadelphia, and passed Cardiff, Spain, Oct. 19th. The White Star Adriatic arrived in Liverpool on Nov. 11th and was not scheduled to leave for New York until Nov. 24th. David Lindsay, assistant manager of the White Star Line said that he was positive that the Adriatic was heavily laden when she left New York, said Mr. Lindsay, and it would take at least three days to unload her, and as many more to load her for the return voyage to this port.

Ladies' Costumes

Fall—1915—Styles.

Was there ever a more fickle lady than Dame Fashion? She is always making changes, and this season has surely surpassed herself.

There is a more decided change in this Fall's styles than has been known for many seasons. While materials are similar, Serges, Gabardines, Tweeds, Cord, etc., the designs are absolutely unlike any of their predecessors. Coats are of many styles, chiefly a la militaire, with high collars, snug-fitting sleeves, and the entire coat in some instances is beautifully braided. Skirts are much fuller, both pleated and gored, and are worn very short.

As descriptions are quite impossible, we can only say that we carry the largest and smartest line of Ladies' Costumes in the city.

Gas and Hospitality.

The sound of motor wheels heralding the arrival of unexpected guests has no terrors for the housewife whose menage is run on up-to-date lines. While the visitors are removing the traces of travel, with the hot water which a gas water-heater keeps always "on tap," a match to the gas fire makes the drawing room a place of warmth and pleasantness for their reception; and the children love to "help mother" by toasting the crumpets before the clear and smokeless glow.

The gas cooker (or the modern gas trivet by the drawing rooms gas fire) boils a kettle of water in no time, and within a quarter of an hour after their arrival the guests are enjoying a cosy chat over the cup that cheers. Should they be persuaded to stay, the invaluable cooker makes it possible, even at such short notice, for the experienced housewife, after a raid upon her emergency store cupboard, to set before them a dainty dinner of which no hostess need be ashamed. Gas means ever-ready hospitality.
