Don't Forget Your

Boy Who is

Fighting for You

You are in perplexing circumstances when you want to know what to send him. We will help you out. He needs something to break the strain always on his nerves. He wants to be taken away from his surroundings for a time, even if it is only his mind.

**WE SUGGEST A BOOK.**

You think, Oh what is a book? When he is finished with it it will be no good to him. Buy and send him cigarettes and cigars which give only about five minutes enjoyment to him, while a book, long after he has read it, lingers in his memory. And even after he has finished it it can be passed from one to another in the trenches.

We have the largest collection of Books

We will save you all the trouble of sending it.
