

**TEN POINT MARGIN!**

We have made arrangements with our New York correspondents to handle C. P. R. and all other issues of this type and standard on a \$10 margin, instead of \$20 as heretofore.

Clients who wish to trade in the higher grade stocks may now do so on a much lower margin requirement than we were formerly able to allow. Your business solicited and prompt and efficient attention guaranteed.

**KAUSTINE**

Equipment is universally recognized as the standard for waterless sewage disposal. Over fifty thousand systems are now in use, and are approved by leading authorities after the most severe tests and searching investigation. The principle is right, and the quality of material used throughout the entire KAUSTINE product is right, permitting us to stand firmly back of the equipment by a binding, long-term guarantee.
