Drive Out the Flies

WITH

SANIFLOR!

It is unnecessary to have flies in the home.

A Saniflor will drive every fly from an ordinary room and keep them out.

No spraying. Just open the bottle, insert the flower wick and the Saniflor does the rest.

Operates night and day. Lasts two to three months. Costs \$1.00 at drug, hardware and general stores.

Manufactured by RENAUD & CO., PARIS.

Dr. F. STAFFORD & SON

Sole Agents and Distributors for Newfoundland.

Insects hate the delightful odor of Saniflor and give it a wide berth. Moths, water bugs and other insect pests move out when Saniflor moves in. Protects woolens from moths. Destroys all odors of cooking, etc., replacing them with the delightful and delicate fragrance of fresh flowers.

New Potatoes, Cabbage, etc.

Due Thursday forenoon, ex. S.S. ROSALIND from Halifax, and selling at very much lower prices than last week's shipment:

"NUGGET" has a world-wide reputation and sale. Over 30 years' experience has resulted in the manufacturers of "NUGGET" becoming experts. They could market a water polish if they desired, but being jealous of their reputation, they continue to use Oil of Turpentine, which enables them to utilize waxes with polishing, preserving and water-proofing qualities that water polishes cannot possibly possess.

"NUGGET" would not be 'NUGGET' if water were used in its manufacture.
