

Food Poisoning.—Lancaster, Pa., July 31, 1871. Mr. James L. Fellows, Sr.: I am pleased to inform you that my health is improving under the use of your Hypophosphites. Excessive tax of the brain had so exhausted my body that I could neither work nor enjoy myself, and it was with difficulty that I could sleep at all. I tried rest, active exercise, various medicinal remedies, and the most popular physicians, and accidentally heard of your syrup in New York. I purchased three bottles at Caswell & Hazard's, and until I used that nothing relieved me. Now I can eat well, sleep well, work well and feel well, and have good reason to consider your syrup a most surprising and capital restorer of the mind and nervous system, and advise all who have much brain work to take it. You are at liberty to use this as you may. Yours very truly, JAMES SHERN, Insurance Agent.

WILD CHERRY BALM.—The memory of Dr. Wistar is embalmed in the hearts of thousands whom his Balm of Wild Cherry has cured of coughs, colds, consumption, or some other form of Pulmonary disease. It is now over forty years since this preparation was brought before the public, and yet the demand for it is constantly increasing.

POSITIVELY A FACT.

Mustard's Catarrh Specific
Cures Catarrh, Cold in the Head, Neuralgia, Toothache, Nervous and Sick Headache, Weak and Sore Eyes. The Specific is a new remedy, prepared from Medicinal Berberis, Roots, Gums and Flowers. Free from poisonous Drugs, it is harmless, novel, and philosophic in its operation. Try it if you are afflicted with the above diseases. It is also one of the best Cough and Croup Remedies extant.

Mustard's Vegetable Pills should also be used in connection with the Specific for Sick Headache and Catarrh; and those who are afflicted with Rheumatism should try Mustard's King of Oils.

Sold in Guelph by McCullough & Moore Druggists. Manufactured as Ingersoll by N. J. Mustard, Proprietor. spdwif

THE REASON WHY

Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is called a Chemical Food and Nutritive Tonic, because Phosphates constitute more than half the material of the human body, and are absolutely essential to the growth of Bone, Muscle and Nerve, which cannot attain full development without them. They promote a good appetite, perfect digestion, create pure, healthy, vitalizing blood, and supply the waste constantly going on in the system as the result of mental and physical exertion. Being combined with Calisaya, the Peruvian Bark, the only specific for Chills and Fever, and that condition of Nervous Prostration and General Debility arising from low vitality and exhaustive diseases, it forms an elegant and agreeable, invigorating Tonic, purely physiological in its action, that may be taken safely under all circumstances, and all diseased conditions of the body, as it builds up the constitution in the same manner as our daily food.

Sold by all Druggists at \$1.

WISTAR'S BALSAM OF WILD CHERRY

THE GREAT REMEDY FOR

CONSUMPTION

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

PREPARED BY SETH W. FOWLE & BONS, Boston, Mass., and sold by Druggists and Dealers generally.

CAUTION.

The Cornwall Manufacturing Company have pleasure in intimating the complete restoration of their works at Cornwall which are now in full operation, producing large quantities of White and Grey Blankets, and Heavy Medium Class Tweeds.

They regret, however, having again to call attention of the public to the continuance of the disreputable practice of importing English Blankets and selling them as Canadian. These Blankets are made largely of Shoddy and Cotton Waste, with a small percentage of pure Wool, and though slightly in appearance, closely imitating the Cornwall Blankets, and ticketed "Canadian Manufacture," have neither warmth nor wear, but can be sold at a lower price than the Cornwall Blankets which are made of Pure Wool can be produced for.

The public are cautioned against this attempted deception, and respectfully informed that the name of the CORNWALL MANUFACTURING COMPANY is printed on the ticket of every Blanket made by them.
