A settler, who has exhausted his homestead right, may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties — Must reside six months in each of three years, cultivate 50 acres and erect a house worth \$300.

A DERELICT"

(Continued from page 3) on sighting Laurence's haggard Mercy on us a'! What's wrong

"Ill see ye do—if I let ye have her ut, first of all, I want to know the eaning of this wild-goose chase."
"I can't tell you, Mr. Harper," aurence said, He felt disheartened in unhappy. Full of the importance his mission, and set upon its fulment as hewas, he had never anticited any opposition here. Yet now arper seemed none too ready to blige him, and without his aid he sould be reduced to going by the assenger boat. That meant three ays' delay, and, stupfied by drink in sleeplessness as he was, a fear hat Mortimer M. Reingold might send representative by the same boatemed little less than certainty.
"I can't tell you, he repeated. "It's of my business. Mr. Harper. I must are the boat."
"If it's none of your business. I'll of aid you in meddling with other eople's." Harper said. "Ye'll get no out from me. Ye're daft, man. Comin' here at this hour o' the morning to rout me out of my bed to borow a trawler, as col as if ye were

askin' for a light for your pipe. And them ye can't tell me why ye want it. I'm weary o' ye. Laurence Averil. I've done my best for ye. I've found ye a living for two years and offered ye a better. I gave ye a month to think over coming into the office, and offere fave weeks ye come back drunk after five weeks ye come back drunk
—drunk, on a Sabbath morning—and
ask to borrow a trawler, What next'll

odrunk, on a Sabbath morning—and ask to borrow a trawler, What next'll ye do?

That? No. I soe ye've taken it off nye want a shave, too—but that's it. Ye're a wreck, man alive, at ha'ye been doing?

I expect I do look cheap. I was mk last night, and I couldn't sleep the train—
larper made a gesture of anger. An ye're nipping now, first thing the morning! Ye fool. Ye weary. What do you want?"

I want to borrow a trawler Mr. Ye'll want to borrow a trawler, Mr. Ye'll want to borrow a trawler, Mr. Ye'll want to borrow a trawler for this one cruise. I shall be back in a fortinght, and that'll be within the seven weeks I asked you for—and then I'm ready to come to the office, if you're still inclined to have me there."

"I'm none so sure, I am. Ye look af if ye'd been drunk for a week, and unless ye drop the habits of the fleet I've little use for ye. Now about this trawler. Tell me why ye want it, and if there's a reason I choose to approve, ye shall have it. Ye'll pay me fifteen pounds over an' above for the use of the boat. If ye won't tell me why ye want her, ye won't have her—that's all."

"All right," Laurence said. "Then I want to borrow a trawler, What next'll ye do?"

"I'm not drunk," Laurence said steadily. "I've only had one drink—your whisky—since last night. I want to borrow a trawler for this one cruise. I shall be back in a fort-inght, and that'll be within the seven weeks I asked you for—and then I'm ready to come to the office, if you're still inclined to have me there."

"I'm none so sure, I am. Ye look af if ye'd been drunk for a week, and unless ye drop the habits of the fleet I've little use for ye. Now about this trawler. Tell me why ye want it, and if there's a reason I choose to the pool of the boat. If ye won't tell me why ye want it, and if there's a reason I choose to approve, ye shall have it. Ye'll pay me fifteen pounds over an' above for the use of the boat. If ye won't tell me why ye want it, and it have it ye'll pay me fifteen pounds over an' above for the use of the boat. If ye won't

see ye do-if I let ye have her. you tongue."
"I'll promise that: but, mind ye,

don trying to buy the shares of the company. But the tale's leaked out somehow and the price has got beyond me. It's not high now, but I
can't pay it. And I want to go and
see how big a deposit it is before
doing anything further. As the story
has got out of my hands I want to get away before anyone can go on the weekly passenger boat. See?" "I see. Are you sure the stuff is malachite?"

"Ols, hell!" Laurence raged. "Must I tell you every cursed thing I'm trying to forget? Man alive, she's the world to me. I'd lie down and put her little foot on my throat. I was courting her all! I knew when I found this business out—that she was the owner of the land. But she had another offer for the shares by the same ing to forget? Man alive, she's the world to me. I'd lie down and put her little foot on my throat. I was courting her all I knew when I found this business out—that she was to the land. But she had another offer for the shares by the same post as mine—twice as much, too. And now I'm off to see what the find is worth. If it's all right, I shall tell her to hold on, if it's wrong, she can sell. Now do you see, curse you?"

"I see. I'm sorry, Laurie, lad. Ye shall have the Columbia. She's the fastest boat I have in harbor, and she was for sea to—morrow, so ye'll find her ready, coaled and all. Get away as soon as ye please."

"I want the gear out of her," Laurence said.

"As you have been on my mind for over here. I guess sugar is too scarce. As you have been on my mind for over here. I guess sugar is too scarce over here. I guess sugar is too scarce over here. I guess sugar is too scarce has one time past. I shought that I should put some of my thoughts on paper. Possibly you are still in a mot ergow, that is most certainly the attitude of the soldier. I am not certain which bugle call the average soldier answers with more alacrity, i.e., the "mail call" or the "cook-house call", both sound like music to me. After seven months service in the farmy I can say that I like the life army I can say that I like t

"A. Guthrie," he read aloud.
"Skipper of the Columbia," he added.
"Alec. He'll be at home, like enow.
What brings you back, Averil?"
"Work. Where does Guthrie live?"

They gave him long and contradic-They gave him long and contradictory directions, Laurence listening, muddled and bemused. Unable to grasp the gist of what they said, he turned to Menzies. "Take this note to him, Big Jock," he commanded. "Bring back the answer to me at Anstruther's within half an hour. I'm going to change my clothes."

Menzies looked up sulkily. "I'm no' your servant, Laurence Averil," he said.

Laurence flew at him with an oath and struck him on the chest.
"I've been away too long, have I?" he roared. "Not my servant, eh?—you

ELDERLY WOMEN SAFEGUARDED

Tell Others How They Were Carried Safely Through Change of Life.

Durand, Wis .- "I am the mother of fourteen children and I owe my life to Lydia E. Pinkham's Vegetable Com-

pound. When I was 45 and had the Change of Life, a friend recom-mended it and it gave me such relief ings that I took several bottles. I am now well and

healthy and recom-mend your Compound to other ladies." Blackstone, Mass. — "My troubles were from my age, and I felt awfully sick for three years. I had hot flashes often and frequently suffered from pains. I took Lydia E. Pinkham's Vegetable Compound and now am well."

—Mrs. PIERRE COURNOYER, Box 239,

Blackstone, Mass.
Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregu-larities, constipation, variable appetite, weaknessanddizziness, should be heeded by middle-aged women. Lydia E. Pink-ham's Vegetable Compound has carried many women safely through this crisis.

I'll break your jaw first and drag you there by the beard afterwards." Menzies departed on his mission without a word, and Laurence addres-

ber of the crew, and on him Laurence

"The traw and gear's to come out of her before night," he said. "Get a move on you and beat up the crew, send 'em down to the wharfside to start. I can't spare time to kick all of you to your duty, so if any man refuses, take the next one that offers. I'll give a sovereign to the man that takes his place. We sail to-night, and "I see. Are you sure the suff is malachite?"
"Certain. You can take that piece to an expert if you like."
"Who is the present owner of the shares?"
"I see. Are you sure the suff is takes his place. We sail to-night, and there's a matter of ten ton of extra coal to be put on board when the fishing gear comes out. Get the key of the coal shed from the storekeeper—tell him I said it was Mr. Harper's shares?"

"A woman. She's—her father was the old chap my father cheated."

"And ye want to cheat the daughter? Father and son. Ye'll have no boat o'mine."

"Oh, hell!" Laurence raged. "Must I tell you every cursed thing I'm trying to forget? Man alive, she's the world to me. I'd lie down and put her little foot on my throat. I was the day in the little foot on my throat. I was the day in the little foot on my throat. I was the day in the little foot on my throat. I was the day in the little foot on my throat. I was the first saw your mothers. Now, get about it. If I'm wanted ye'll find me are the day in the little foot on my throat. I was the first saw your mothers. Now, get about it. If I'm wanted ye'll find me are the day in the little foot on my throat. I was the first and it was Mr. Harper's orders. Tell the fireman to get steam up. I'll be ashore most of the day. I've work to the first aboard and the traval and gear out when I come down in the afternoon, some of you'll curse the day yet first saw your mothers. Now, get about it. If I'm wanted ye'll find me are the day in the first aboard and the traval and gear out when I come down in the afternoon, some of you'll curse the day yet first saw your mothers. Now, get about it. If I'm wanted ye'll find me are the day yet first saw your mothers. Now, get about it. If I'm gone."

ence said.

"As ye like. I wouldn't, if I were you. She's nigh as fast loaded as she is light—and if ye take out her gear ye'll need ballast."

"More coal'll do that"

"More coal'll do that" "More coal'll do that."

"Ah! Ye mean shoving her along? Dinnae start a boiler tube. 'Mair haste, less speed, ye know. The men'll not work to-day. Ye'll start at midney the string the stuff out."

silence of a Scottish Sunday. All things seemed to conspire to delay him, and in the encountering and over coming of obstacles he almost forgot the pain at his heart. At four o clock

A knot of men were standing and the bottom of the wynd in which the house stood. He passed the door, and went down to them. Jock Menzies was amongst them, with three or four more he knew, but they all looked at him sullenly, without recognition.

"Morning," he said shortly.

"Where's Guthrie?"

"Menzies knew his voice, and looked at him with surprise. "It's Averilicome back again," he said.

"It is. Where's Guthrie—d'ye hear?"

"Which Guthrie dae ye want?" one of the men asked.

Laurence referred to the envelope in his hand.

"A. Guthrie," he read aloud.

"Skipper of the Columbia," he added. "Alec. He'll be at home, like enow.

What brings you back, Averil?"

"The scuffle that ensued was as a surph and tumble as he could be considered in the sould as a second."

The scuffle that ensued was as a surph and tumble as he could be considered in the sould as a second.

The scuffle that ensued was as brutal a rough-and-tumble as he could have desired. Two of the hands, with the fear of a woyage on short commons before them, rushed at him together. "He's daft," they cried. "Averil's daft!" and, crying to the

CASTORIA For Infants and Children

In Use For Over 30 Years Always bears the Signature of Chart Hiltchers

fireman to aid them, they attacked him savagely. For the next five minutes Laurence's mental torture stood off from him under the stimulus of combat, at the end of that time one man lay under the bulwarks groaning another, with a twisted ankle,was crawling forward on hands and knees, and the third, uninjured, had seized an iron belaying pin and was standing on the defensive. Laurence's mouth was a smudge of blood, one of his eyes was closing rapidly, and a blow

was a smudge of blood, one of his eyes was closing rapidly, and a blow on his left wrist had rendered the hand nearly useles but he smiled sweetly, for all his disfigured face, and cursed the men with great good-"Daft, am I?" he demanded. "An I've forgotten how to scrap, too—eh? You get about your work you swine. You—at the wheel—keep her a point

more east.
"I've brought grub aboard, and you!! get your share—though you don't de-serve it. And if any of you want an-other turn up with me, you know how to get it. I'll teach you Laurence Averil's come back to the fleet no prettier than he left it."

mend your Compound to other ladies."

-Mrs. Mary Ridgway, Durand, Wis.

A Massachusetts Woman Writes:
Blackstone, Mass. - "My troubles were from my age, and I felt awfully Jock Menzies is sae pretty mannered these last months," and he went be-low about his work. Laurence laugh-ed back. In truth, he was himself surprised to find how easily the old life came to him again. In the old days he had known no greater wretch edness, but compared to this new hell of hopeless desire its roughness seem of hopeless desire its roughness seem ed light, his brutalty a kindly counterirritant to a far greater pain. He walked the deck, now getting more and more lively as they reached open water, with some dim feeling of gratitude in his heart at the relief. The hurry of departure left much to be done, and be busied himself setting the men at one task after another. the men at one task after another antil Fifeness was abeam, when, lay-ing a course that should clear Buchan Ness he went into the engine room, told the engineer to spare no coal, and retired to his berth to seek the leep he so sorely needed.

PERCY CAVEN DELIGHTED WITH ENGLAND

Former Patstor of Malahide Metho-dist circuit is with Div. Se. Co., in Training in England. Gives British Navy Credit in Handling Submarine Menace.

The following letter from the above

sated by other features (interesting to a student of human nature at

I like England very much. It's rail or barbed wire fences, adds much to the general picturesqueness of the landscape.. While at Crowborough camp I saw a considerable part of haste, less speed, ye know. The men if not work to-day. Ye'll start at midnight getting the stuff out."

"I start within an hour from now," I Laurence said. "The crew'll work if I tell 'em. If they won't, there'll be a few men down there that'll take their places for me. Give me a note to the skipper, Mr. Harper, and Ill go about my business. I want another drink to buck me up, and then I'm off."

Whilst Clement Harper wrote he drank again, for wretchedness and want of sleep were taking hold on him once more, and within the hour he was back at Anstruther's.

A knot of men were standing idling at the bottom of the wynd in which the house stood. He passed the door, the house stood. He passed the door, and the pain at his heart. At four o clock in the afternoon he drove on to the the afternoon he drove on to the pain at his heart. At four o clock in the afternoon he drove on to the pain at his heart. At four o clock in the afternoon he drove on to the pain at his heart. At four o clock in the afternoon he drove on to the pain at his heart. At four o clock in the afternoon he drove on to the pain at his heart. At four o clock in the afternoon he drove on to the pain at his heart. At four o clock in the afternoon he drove on to the pain at his heart. At four o clock in the afternoon he drove on to the desired with his bag and a small but heav's suitcase, and shouted to one of the crew to come and aid him agetting it aboard the boat. "Handle that tenderly," he ordered "I's dynatic, and if you drop it you'll go where the devil wants you quicker than you want to. Is steam up?"

Whilst Clement Harper wrote he drank again, for wretchedness and want of sleep were taking hold on him once more, and within the hour he was back at Anstruther's.

A knot of men were standing idling at the bottom of the wynd in which hours are provided to the pain at his heart. At four o clock in the afternoon he drove on the sea-coast on the side of a steep hill overlooking the town and the English channel beyond it. There is a larger town here burgh, Scotland, one month ago when was on a weeks' leave to Scotland. That was a glorious week. When

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhoea. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep, The Children's Panacea—The Mother's Friend.
