BECK AND NEELY SPEAK

Addressed Conservative Gathering in the

Delaware Town Hall Saturday The Hon. Adam Beck and Mr. George Neely, M. P. P., were the principal

speakers at the Conservative rally at Delaware town hall Saurday night, held in the interests of the party candidate for West Middlesex. Mr. Whitney and his policies were lauded to the skies, and as might have been expected the late Government was painted in the blackest of hues. Mr. Neely made a rather rambling discription of the Government's educational policy, but failed to explain Mr. Whitney's backdown re teachers' salaries.

Mr. Beck's address consisted of general attack on Mr. Ross and his

The meeting was fairly well attended and was entirely partisan. There were the members briefly. the usual cheers for the King, Whitney and the candidate.

ing educational Sunday in the church. higher education, setting forth its advantages and its superiority over all a most interesting nature. Besides the other attainments. He spoke of the excellent address by Dr. Potts, of Totime when good books cost a man his ronto, a very fine programme of music was given by the artists who so greatly whole week's, or even a month's, wages, and pointed out that in this day of delighted the audience at the Audimany books, when a man can buy the torium on Saturday evening.

best volumes for comparatively little, books have lost their rightful standing, Things of Life." He first referred to the not being valued as they should, for, days when he was the president of the as the old proverb put it, "Familiarity local Y. M. C. A., and complimented those who have been carrying on the Speaking of the movement toward work since on the splendid success attechnical education, Mr. Boles said that tained. "The fact that there are at the present time people are crying supreme things in life makes it clear out that they want to have their chil- that there must be subordinate things dren educated along lines which will in life. A great many give all their enable them to make plenty of money. attention to the subordinate things, If a man wants his son to be a doctor while they should be giving it to the he wants to have him educated in the supreme things," said Dr. Potts. He subjects which will be of practical use went on to point out that whenever a in his profession only. He looks upon man comes in touch with the supreme in his profession only. He looks upon man comes in touch with the supreme the study of literature, etc., as simply things of life he must needs come in a waste of time. This, he claimed, was contact with Jesus Christ. Dr. Potts a great mistake, as the more knowledge quoted the verse in St. Matthew which a man can acquire the better and tells of the wise men going to seek for broader-minded he will be. Then the Christ, and he pointed out that the study of literature gives a man the most important search of a man's life power to take enjoyment out of life. is his search for Christ. The wise men which many cannot get. The man of said "Where is He?" and that is the a higher education is above the level great question which men are asking of the common things, and sees in life today.

more than the simple greed for gain.

Speaking of the "get rich" spirit, he said that the great race after wealth at the present time has a great deal to do with the overlooking of the benefits of higher education. People want to make money and be able to live in the luxury of fine homes, and if they are to spend much time on education they want it spent only on what is going to Bros. H. Pratt and R. Gilmore. The pallbearers were: Messrs. H. Pratt, R. Gilmore, A. Evans, D. Shoebottom, W. Fortner and F. Bissett.

more than the simple greed for gain.
