GUARANTEED USED CARS

As stated in previous advertisements, our detailed list of cars will be in Friday's paper, and in conclusion we want to say that the Used Car Department of our business is our first consideration. Our new car business depends on used cars intelligently and successfully bought and sold. We believe most people would prefer a good used car rather than a cheap new one, if they could be sure it was good. Our plan of selling used cars is of any covering up. If you feel you would like to get a good car at a low price, if you could only be sure it was good, remember, "The Envelope Tells the Truth."

Good Used Cars, rightly priced, sell all the time at places where public confidence has been built up.

ACID STOMACH IS DANGEROUS

The Real Cause of Indigestion

Acids in the stomach irritate and in-
flame the delicate stomach lining, sour
and ferment the food, prevent proper
digestion and lead to nine-tenths of all
Dyspepsia and Indigestion. Pepsin and
other artificial digestives give only tem-
porary relief and do not correct the
cause.

Stomach acids should be neutralized
daily, and the stomach kept sweet and
clean after eating by drinking a glass
of pure Magnesia water made from a
teaspoonful or four tablets of Bionin
Magnesia, obtainable at any reliable
drug store. This prevents fer-
mentation and your meals digest natu-
rally and without pain. By following
this plan you may eat almost anything
without fear of Indigestion.—Adv.
