See advt.

At the meeting of the firemen last evening, a resolution was passed to petition the City Council to have the position of the steam whistle at the Water Works changed and the pipe enlarged, so that it would give its full sound. At present it barely gives half the sound it its capable of doing, and as the firemen trust, in a great measure to the whistle to awaken them at night, their request should be readily granted.

A little son of Mr. H. G. Winter, was run over by a sulky attached to Sheriff Sterling's horse, (in charge of a young man named Coombes) on Charlotte street Monday night. The horse was being driven at a break-neck speed—decidedly in opposition to the Sheriff's instructions—and those who saw the accident feared that the child had received serious injuries. Dr. Coburn was called and found that although the little fellow was badly hurt about the head and shoulders, no bones were broken. Is it not time that a stop be put to furious driving on the public streets?

St. Dunstan's Church pic-nic is taking place to-day in Scully's Grove. As the proceeds are to go towards the new church fund the event will no doubt call out a large attendance of all classes and creeds. The attractions are very numerous. A splendid programme of sports and amusements has been prepared. The prizes have been on exhibition in Mr. Fowler's jewelry store for some days past and have been greatly admired. Tea will be served on the grounds between 5 and 6 P. M., and the ladies and gentlemen in charge of the tables hope to be able to accommodate all who patronize their departments. The Fredericton Brass Band will furnish music. The committees feel confident that to-day's picnic will be the greatest success financially, and in every other respect, yet held by St. Dunstan's Church congregation.

Tamarac Elixir

Is not advertised to cure consumption, but it has made some remarkable cures of persons supposed to be in the first stages of that disease.

An old man named Thomas Bean died in Bonham, Texas, a short time ago, leaving property valued at $10,000,000. Edward Bean, says the *Globe*, who resides in Portland, had a brother named Thomas, who sailed away from the port of St. Andrews somewhere about the year 1837, and who afterwards drifted into Texas. Several letters were received from him soon after he went to Texas, but for years nothing has been heard from him, and his friends have mourned for him as dead. He was about 20 years of age when he left St. Andrews. The Beans are natives of Fredericton, and the family consisted of Edward Bean, who is now 75 years of age, Thomas and Georgiana Bean; the latter still resides in Fredericton. Edward Bean has lived in St. John for a number of years. Two of his sons, John and Thomas Bean, are coachmen. A third, Richard, is engaged as hostler in one of the livery stables. Mr. Bean has employed Dr. Silas Alward to look after the fortune for him, and he has forwarded letters of enquiry to Bonham. [Miss Georgiana Bean who lives with Mrs. John Thomas, and Mrs. Clarke, mother of Mr. George S. Clarke, are both sisters of the late Thomas Bean.]

Following is the resolution passed by the City Council Thursday evening, giving the right of way to the Bridge Company through Sunbury Street. It was moved by Ald. Hazen:—

Resolved, That permission be, and is hereby given to the Fredericton and St. Marys Railway Bridge Company to construct and run a Railway from the terminus of the Bridge (to be constructed) along Sunbury street to the now Fredericton Railway; provided that this permission shall in no way make the City of Fredericton responsible or liable for any damages to property, and provided that the said Fredericton and St. Marys Bridge Company before proceeding with the construction of the said Railway indemnify the city against any damage or loss to which the said city may be liable in consequence of this permission being granted before plans have been fyled under the Railway Act; and that the said Fredericton and St. Marys Bridge Company shall within two weeks of this date fyle in the office of the City Clerk or Clerk of the Peace a copy of the map or plan and book of reference deposited in the office of the Minister of Railways as provided by the Railway Act; and further provided that the said indemnification shall be a bond from the said company to be approved of by the Mayor and City Clerk.

The Redmund-Barry dramatic company who play here Saturday and Monday evenings, is one of the strongest theatrical combinations that ever visited Fredericton. "Rene" will be presented Saturday evening, and of this play and the company, the St. John *Sun* says:—At the Institute Monday evening "Rene," a drama of Huguenot days, was presented by the Redmund-Barry Co. to a fine house. In the prologue as well as in the first act, Mrs. Barry disappointed many in the audience, who expected to see her as they used to see her twenty years ago, but in the second, third and fourth acts she was the same Mrs. Barry that was so great a favorite with the theatre goers of times past. She did not appear to have lost one whit of her youthfulness and grace, and the judicious applause that was awarded her must have been very gratifying. Mr. Fairbanks was an excellent Annible Locust, and Miss Watte, as Juanita, and Miss Tillson as Gabrille, made themselves prime favorites with the entire house. Altogether the company is one of the best that has visited St. John this season. Speaking of the performance of the "Midnight Marriage," the Moncton *Times* says:—"The Redmund-Barry Co., closed their season here on Saturday night with an admirable presentation of the above named play. A small house greeted them, but as usual there was frequent applause and a thorough enjoyment on the part of the audience of the acting of this gifted company. The company leave behind them a name for admirable acting such as does not by any means fall to the lot of every company that comes this way."

WONDERFUL!

BETWEEN eight and ten years ago, a medicine was introduced to the public, and suffering humanity was invited to try the same.

The proprietor knew from experience, that success was certain, but the human breast so imbued with prejudice that it forms one of the strongest barriers to break down and the greatest enemy to overcome before any headway can be made towards the mansion of success. Truth has often proved itself to be "stranger than fiction," and it is a fact as solid as truth that

SMITH'S CHAMOMILE PILLS

have now become one of the leading Patent Medicines of the present day, from north to south, and from east to west, they are to be found in the homes of the rich and poor. All classes of society use them, and they are by thousands declared to be *Worth their Weight in Gold*

For a Weak Stomach, Impaired Digestion, and all disorders of the Liver, they act like "MAGIC," and a few doses will be found to work wonders on the most important organs in the human machine. They strengthen the whole muscular system, restore the long-lost complexion, bring back the keen edge of appetite, and arouse into action, with the rose-bud of health, the whole physical energy of the human frame. These are "facts" admitted by thousands, embracing all classes of society; and one of the best guarantees to the nervous and debilitated is, **Smith's Chamomile Pills** have the largest sale of any Patent Medicine in the Dominion.

Directions for taking Smith's Chamomile Pills.

If the bowels are costive, the countenance sallow and the tongue furred, take 3 or 4 pills on going to bed; if they do not operate in ten hours, then take two more afterwards. Take one pill every (or every other night), just enough to keep the bowels gently moved. For ordinary Billious Complaints one or two doses are sufficient. These pills act on the system very similar to blue pills, or blue Mass, but do not contain the least particle of mercury or calomel.
