Imparting Valuable Instruction. "Papa," asked a little boy of the New York Sun editor, "a man who steals loaf of bread is a thief, isn't he?"

"Yes, a dastardly thief." "Is a man who steals \$10,000 a thief,

"Well, no, my boy, scarcely. Default-er, I think, is the more appropriate word." "And what is he called when he steals \$1,000,000? "There is no such thing as stealing \$1,000,000, my son. It is termed 'diverting. When a gentleman diverts \$1,000,000 he is spoken of as a financier."
