CORTLAND VILLAGE, N.Y.
From Hon. H. S. Randall,
Messrs. Hugh Miller & Co.

DEAR SIR,—I have had no opportunity of testing your "Tick Destroyer" in my own flocks—there being no Ticks on my sheep—but I placed some of the preparation in the hands of my friend and neighbor, F. H. Hibbard, Esq., on the accuracy of whose experiments I can fully rely, and after testing it in several cases, he informed me that it thoroughly exterminated Ticks. I have, therefore, no doubt that it will do so.

Yours truly,
HENRY S. RANDALL.

DOCUMENTARY EVIDENCE

of the most reliable character can be produced to show that

The British American

stands at the head of BUSINESS COLLEGES in this country. The Hon. G. W. ROSS, MINISTER OF EDUCATION, in his address before the students, said:—

"I look upon commercial colleges as an admirable part of our system; the work which they do cannot be done in our public schools, and could not be well done in our high schools—IN FACT IT COULD NOT BE WELL DONE ANYWHERE BUT IN SUCH AN INSTITUTION AS THIS."

OPINIONS OF THE PRESS.

"This institution, under its present organization, offers to the business student facilities, advantages and attractions unsurpassed by any other educational establishment in Canada."—Toronto Globe, 4th Oct., 1884.

"The British American Business College, which, for the excellence of its methods, the thorough commercial grounding given to its pupils, and the quality of material produced, is now noted throughout the Province."—Toronto Mail, 2nd Oct., 1884.

"This college has been before the public for the last 23 years, and its claim to being the best of its kind has never been questioned. Its graduates are always in demand, and to-day may be found in the leading wholesale houses of the Dominion."—Toronto Telegram, 14th Oct., 1884.
