## The Farm and Household Cyclopaedia.

**544 PAGES - 249 ILLUSTRATIONS.**

This book is a complete ready reference library for farmers and housekeepers, being filled with useful facts, hints and suggestions upon all subjects pertaining to rural and domestic affairs, embracing the results of experiment and research by scientific and practical men and women in all civilized countries. It contains the cream and substance of more than twelve agricultural and household books, and is the only first class work of the kind ever sold at less than six dollars. It is a book to be consulted every day in any emergency, and to be read at all times with interest and profit. It is such a book as every farmer and housekeeper needs, and ought to have, supplying the universal wants of a reliable counsel on every topic relating to the farm and household. The work is profusely illustrated, and is divided into two main headings, viz., The Farm and The Household, each of which occupies half the book. These are again subdivided into a number of departments, as follows:

Rural Architecture, Fences and Gates, Field Crops, Fertilizers, The Garden, Orchard and Vineyard, Small Fruits, Live Stock, The Poultry Yard, The Dairy, The Apiary, Farm Implements, Around the Farm, Cooking Recipes, Toilet, The Laundry, Hints and Helps.

All of the above subjects are fully and ably treated in this valuable book. It is a vast storehouse of useful facts, hints and suggestions of the utmost value to farmers and housekeepers, and no man who has a home and an acre or more of land can afford to be without it. Remit by postal note, money or express order, check, draft, or by registered letter. Address all orders to
