EPPS'S COCOA

BREAKFAST.

By a thorough knowledge of the natural laws
which govern the operations of digestion and nutrition,
and by a careful application of the fine properties of
well-selected Cocoa, Mr. Epps has provided our
breakfast table with a delicately flavored beverage
which may save us many heavy doctors' bills. It is by
the judicious use of such articles of diet that a consti-
tution may be gradually built up until strong enough
to resist every tendency to disease. Hungry for subtle
inhalants are floating around us ready to attack wher-
ever there is a weak point. We may escape many a
fatal shaft by keeping ourselves well fortified with pure
blood and a properly nourished frame—"Civil
Service Gazette."

Made simply with boiling water or milk. Sold
only in packets by Grocers, labelled thus:
