

Literary Notes.

"The Kreutzer Sonata."

Strange, sad, nay even weird are the dreams of Count Tolstoi. In the many short sketches from his pen, which from time to time have been published, we are prepared for anything, even if it is savored of the somnambula or lethargic melancholy so strongly characteristic of latter day Slavio novelists.

A little about the book. The author is travelling in a train in Russia; several passengers in the same coach. A rather respectable group of common citizens, a lawyer, a merchant, a drummer, a pretty vivacious lady chatting with the company, and a strange chronic, critical individual and Count Tolstoi, make the little group.
