

France

History of France from the Earliest Times to 1848
By M. Guizot and his daughter,
MME. GUIZOT DE WITT. Translated by Robert Black. In eight volumes,
Bourgeois type, leaded. *Library Edition*, 8 vols., small octavo, fine
cloth, beveled boards, gilt tops, 427 fine illustrations. Price, **\$8.40.**
Pearl Street Edition, 8 vols., large 12mo, fine cloth, gilt tops, 427 fine illustrations. Price, **\$6.00.** This is fairly
equivalent to the *Library Edition* except that it is printed on smaller paper, giving narrower but good margins.

Far the best popular history of that country. Clear, vigorous, graphic, even eloquent, it is as fascinating as a romance: and it is as well comprehensive and thorough. The work has been one of the longed-for prizes of the general reader of history. All in all, the neatest volumes this publisher has yet issued.—*Republican*, Springfield, Mass.

427 Fine Illustrations. "In style of cover, firmness of binding, quality of letterpress, affluence of illustration, and lowness of price, this edition of one of the noblest historical works in existence, is one of the most remarkable publications now offered to the public."—*Morning Star*, Dover, N. H.

Guizot takes rank among the most illustrious representatives of his age and nation. The style is easy, familiar, clear and entertaining, and the publishers have done a good service in giving to the public in so fresh a form this best work of a modern French historian.—*Advance*, Chicago, Ill.

It is a wonderfully full and attractive history by one of the first historians of his age—a history worthy of being the last production of the brain and pen of Guizot. His country needs no better historical monument; the student needs no better history.—*Interior*, Chicago, Ill.

The matchless brilliancy of Guizot's style, graphic descriptions of men and events, painstaking minuteness of detail, the lucidity and ease, and the admirable philosophic reflections, all combine to render it worthy of the description it bears as the most popular history of France. It is as fascinating as a novel, and as life-like as a theatrical representation of the events and personages it describes. How the set can be sold for that price remains, after much reflection, a

Guizot is the Macaulay

of the history of France. His narrative is full of emotion, like a quick stream; his characters rise before us as in the flesh; they are men and women, not historic lay figures. It is as charming as any romance. There is only one drawback... it seems more like getting a present than making a purchase.—*Dominion Churchman*, Toronto.

THE COST Of the Imported Edition, with substantially the same illustrations, is \$36.00, while this is certainly the best in form and the most satisfactory for the library. "From the pen of a master. How

\$36 FOR \$6

Mr. Alden can give the eight volumes for \$6.00, and this on good paper, and clear type, including the multitude of illustrations, is a thing we have ciphered over, but we fail to understand it."—*Christian Leader*, Boston, Mass.

France has had a history second to no country on earth. Histories innumerable have described her deeds of chivalry and glory. But in accuracy, brilliancy, and all that goes to make a history, none compare with the fascinating pages of Guizot. He is as brilliant as Macaulay and as painstaking as Hume. This edition is profusely illustrated and they are illustrations that do illustrate.—*American Baptist Reflector*, Chattanooga, Tenn.

CATARRH

CATARRHAL DEAFNESS

A HAY FEVER

NEW TREATMENT.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and Eustacian tubes. Microscopic research has proved this to be a fact, and the result is that a simple remedy has been formulated whereby these diseases are cured in from one to three simple applications made at home. A descriptive pamphlet is sent free on receipt of stamp by A. H. DIXON & SON 308 1/2 King Street West, Toronto, Canada.
