

Dr. Robert Newman, of New York, presented Electricity in Genito-Urinary Diseases. Dr. G. Betton Massey spoke on Treatment of Malignant Growths by Means of Electricity.

Dr. Louis A. Weigel, of Rochester, on Orthopaedic Uses of Electricity, was followed by Dr. Rockwell on The Functional Neuroses with Special Reference to Neurasthenia, their Pathology and Treatment.

Dr. Herdman's paper on Electricity in Diseases of the Nervous System was read by title.

The Association adjourned at 4.30 p. m.

A short business session was held from 8 to 9 p. m., at which the following officers were elected :

President—Dr. Francis B. Bishop, of Washington.

First vice-president—Dr. Ernest Wende, of Buffalo.

Second vice-president—Dr. W. H. White, of Boston.

Secretary—Dr. John Gerin, of Auburn.

Treasurer—Dr. Richard J. Nunn, of Savannah, Ga.

Executive Council—Dr. Robert Newman, of New York, and Dr. G. Betton Massey, of Philadelphia, three years; Dr. A. D. Rockwell and Dr. William J. Morton, of New York, two years; Dr. Charles R. Dickson, of Toronto, and Dr. Frederick Schavoir, of Stamford, Conn., one year.

Washington was selected for the Convention next year, to be held September 19-21, 1899.

THIRD DAY.

An Executive Session was held at 9 o'clock. President Dickson in the chair.

A resolution was passed upon urging colleges and medical schools the necessity of establishing chairs for the teaching of electro-therapeutics; or if that is not at once practicable, that more time be devoted to the teaching of this very important branch; and that the matter be more fully urged upon the attention of The Association of Medical Colleges. Many new members were elected, and the customary votes of thanks passed.

The congratulations of the American Electro-Therapeutic Association were extended to the University of Buffalo for its progression in establishing a chair of electro-therapeutics in the medical college.

A general vote of thanks was also adopted, expressing the Association's deep appreciation of the courtesy and hospitality extended to the members during the convention in Buffalo.

At 10 o'clock the Executive Session adjourned, and President Dickson called the Scientific Session to order. The first two papers on the programme were read by title. They were both by Drs. Georges Gautier and J. Larat, of Paris, France, the first on The Hydro-Electric Bath with sinusoidal Current in Disease; the second on The Use of the Hot Air and Light Bath in Disease.

A paper was read by the newly-elected President of the Association, Dr. Francis B. Bishop, of Washington, on Alternating Dynamo Currents.

Dr. Margaret A. Cleaves, of New York, read a paper on The Electric Arc Bath.
