Roofs, Steel Buildings and
Engineering Work. Call descriptions.

Stackpole Patent Improved **Street Sweeping Machine** Is the Standard of Perfection.

Because no sweeper so effectively does the work for which it is designed as "The Studebaker." It Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical precision. It Works Well. "The Studebaker" has the smallest possible number of working parts, and has less wearing than any other sweeper made. It is free from unnecessary complications. With reasonable care it will not get out of order. Send for complete descriptive catalogue.

Studebaker Sprinkler

(PATENT IMPROVED.)

Does not clog or get out of order. Greatest width of spray can be graded for driver's seat to any volume. We also make an . . .
