To the Drug Trade ::

We take pleasure to announce, that this season's assortment of *Dainger's Perfumery Novelties* for the *Holiday Trade*, filled with *Chloechlor's* incomparable *Perfumes*, surpasses any heretofore shown.

They embrace unique *Hungarian, Dresden, Chloechlor's, Vienna* and *Paris* *Flacoe*, elegant cut *Crystal Bottles*, designed by *Mrs. CHLOECHLOR*, and enclosed beautifully but not extravagantly—made to meet the wants of the medium and fine trade.

It may be interesting to state here, as indicating the estimation in which *Chloechlor's Perfumery* is held in *New York city*, where foreign goods have so long held sway, that the goods now lead in the most critical retail drug stores, and a single *Broadway* firm (with two stores) have bought \$4,000 worth for their year's supply.

A full line of samples of these goods is now in the hands of our representatives, one of whom will have the pleasure to call upon you in a short time, and we trust you will receive orders for your *Christmas Perfumes* till you have seen the samples, or mail us an order for a stated amount, mentioning prices goods are desired at, and we are sure the selection you receive will meet with your approval.

ORDERS FOR THESE GOODS SHOULD BE PLACED NOW.
