ADVANTAGES OFFERED.

It is conferred by its Charter to insure nothing more hazardous than Farm Property and Residences.
It insures Live Stock against death by lightning, either in the Building or on the premises of the Assured.
It refuses Mills, Shops, Tanneries, Stores, Hotels, and other hazardous property, and makes a specialty of Farm Property and Dwellings. It is not subject to heavy losses, and affords a certain Guarantee to those it insures.
It is a purely Canadian Institution, its business is confined to the Dominion, and is under the management of men who have devoted many years to this peculiar branch of Insurance, and understand thoroughly the requirements of the Farmers as a class.
It has a larger subscribed and paid-up Capital than any other Company in Canada confining its business to the same class of risks. It has \$50,000 together with \$1,000,000 transferred from the Agricultural Ins. Co. of Watertown, upon the re-insurance of the Canadian risks of said Co., making in all \$1,050,000 deposited with the Government at Ottawa,—giving its Policy holders the best security of any Insurance Company in the Dominion.
The sweeping fires which have devastated our large cities within a few years past, destroying millions upon millions of dollars of property, and ruining hundreds of Insurance Companies, rendering worthless thousands of policies upon the homes of our people, are convincing proofs of the wisdom of our original plan of separating Private Dwellings and Farm Property from business hazards.
This Company insures against loss and damage by Lightning as well as Fire. It is the only Canadian Insurance Company obliging itself by its Charter and Policies to pay for such losses.
Farmers and others will consult their own interests by insuring in this Company. For further information, please call on our Agents, or Address the Managing Directors.
